All normal installation costs will be included within the monthly rental rate, except the cost of any permits or inspections local laws may require and for any extraordinary installation costs incurred by us. We will make reasonable efforts to tell you in advance if there are any additional installation costs, but it may not always be possible for us to do so. You agree to pay all of these additional costs, and understand that we may terminate this Agreement if you do not pay them.
- iii. Service & Maintenance: to provide repair and maintenance on the Equipment during the Useful Life of the applicable Equipment with no service charges or part replacement charges except (i) in the circumstances described in paragraph 4, (ii) if you (or a third party not authorized by us) alter, modify, adjust, damage, service, repair, move or disconnect the Equipment or if repairs are necessary because of use for which the Equipment was not intended, (iii) where venting, piping, wiring, ducting and/or electrical services require cleaning, repair or replacement, or (iv) as described below. - Consumable items, including but not limited to filters and fuses.

If, after installation, building or other code violations are discovered before or during the diagnosis or repair of Equipment, we will not be required to repair or service such Equipment until the necessary corrective work is completed at your own expense. If additional costs are incurred in order to comply with local, provincial, or federal law, we shall not be responsible for that additional expense and you shall pay for same. We are not responsible for service or repair of Equipment when permits cannot be obtained and we will not pay any costs relating to permits.

Our commitment does not cover any service involving hazardous or toxic materials, asbestos, lead or the disposal of refrigerants or contaminants.

If a thermostat that is included in the Equipment fails, we will provide a replacement thermostat with a make/model, of our choice, that enables like operation of your dependent heating, ventilation and/or air conditioning equipment. Zone thermostats/controls and energy management controls are not covered by our commitment.

We are not responsible for insufficient air distribution due to existing ductwork design or clogged duct work or for insufficient water flow due to existing piping or radiators or clogged piping or radiators. Costs of refrigerant recovery, vacuuming and refill are excluded from our commitment.

4. Customer's Commitment

In consideration of receiving and using the Equipment, you agree that:

- You will pay your charges billed under this Agreement when due. You agree to pay HST and any other taxes payable in connection with this Agreement.
- You will promptly inform us of any change in i) your mailing address at least 30 days in advance of such change; and/or ii) if previously provided, bank account or credit card information you provided us promptly after such change is made.

Acceptable methods of payment, which currently include pre-authorized payment, payment by cheque, by telephone or in person, or online banking, will be set out on the bill you receive. Should any payment be returned for non-sufficient funds ("NSF"), you agree to pay a NSF charge of \$25. Your EGD bill is due when you receive it, which is considered to be three days after the bill date. If you do not pay your bill in full by the late payment effective date on the first page of your EGD bill, a late payment charge equal to the late payment rate multiplied by a total of all unpaid charges will be added to your EGD bill.
- The rate on the date of this Agreement for your monthly rental charge is the amount set out above. You will be responsible for paying rental charges from the date the Equipment is installed or, if you purchased the premises after the Equipment was installed, from the closing date of the purchase. You agree that we may increase our rental rates on January 1 of each calendar year by a percentage up to the percentage increase to CPI plus 2%. For the purposes of this Agreement, "CPI" means the All-items Consumer Price Index (not seasonally adjusted) for Ontario or the equivalent thereof, or any comparable successor index thereof, published by Statistics Canada in October in respect of the immediately preceding September to September period, or by any other equivalent or duly authorized department of the Government of Canada (for clarity, the Consumer Price Index in Canada is expressed in terms of 2002 = 100). We will notify you of any such rental rate increases in advance in bill inserts, by letter or by any method permitted by law. You agree to pay HST and any other taxes payable in connection with this Agreement.
- You will provide us with timely access to the Equipment whenever required by us to perform our obligations or exercise our rights under this Agreement.
- You will use the Equipment safely and responsibly, and in particular you will:

- i. ensure that no combustible, hazardous or flammable materials are used or stored in the same room as, or near, the Equipment;

 - At the end of the Useful Life of any Equipment, you are not obligated to rent and we are not obligated to supply replacement Equipment therefor, unless we mutually agree at the time pursuant to a new agreement.
 - If the Equipment is gas-fired, you are required, as the user of the Equipment, under law to ensure that it is maintained in a safe operating condition [Ontario regulation 212/01 Section 15]. In the event that a service or repair is required please call 1-844-enercare.

1. Commitment. "Our", "us" "we" or "Enercare" means Enercare Home and Commercial Services Limited Partnership. Our commitment to you, our rental customer, ("you", "your" or "customer"), is to provide you with a reliable, trouble-free water heater in accordance with this Residential Water Heater Agreement (the "Agreement"). The water heater ("Water Heater") you rent from us, as set out above, is backed by Enercare to the extent provided in this Agreement.

2. Term. The term of this Agreement commences on the date you agreed to this

Agreement (which is the same as the date of your agreement of purchase and sale for the home). The term of the Water Heater rental ends if this Agreement is terminated by you or us in accordance with its terms (which, for greater certainty, includes you exercising your buyout option in accordance with the terms of this Agreement) or when the useful life of the Water Heater has ended. The useful life of the Water Heater ends when Enercare or its authorized service provider determines, having regard to the relevant factors, including without limitation, the age of the Water Heater and the cost of any repairs to be made to the Water Heater, that it is no longer commercially reasonable to repair the Water Heater. For greater certainty, you do not have any right to subsequently request a different water heater than the one you rent from us under this Agreement.

If this Agreement is terminated within the first eighteen (18) months following the date we install the Equipment, in addition to payment of the buy-out price contemplated in Section 9 of this Agreement, you agree to pay us the total amount of (a) any monthly rental payments waived as part of any applicable promotion and (b) the value of any prepaid credit card or other product provided to you as part of any applicable promotion.

3. Our Obligation to You. Our obligation to you is to service and repair the Water Heater with no service charges or parts replacement charges **except** in the following circumstances:

- a) if you (or a third party not authorized by us) alter, modify, adjust, damage, service, repair, move or disconnect, the Water Heater;
- b) if service or repairs to the Water Heater are necessary because the Water Heater was used for an unintended or unauthorized purpose, including non-residential purposes;
- c) unless you are paying our hard water rental rate, if the Water Heater requires de-liming, flushing or other repair due to water conditions or the quality of the environment in which the Water Heater is situated. For greater certainty, Enercare determines hard water conditions. In such situations, we cover only diagnostic work;
- d) where venting, piping, wiring, plumbing, ducting and/or electric services requires cleaning, repair, replacement or installation, including to meet applicable laws or installation requirements;
- e) where re-setting is required due to FVIR "lock-out" as described below under "Customer Advisory";
- f) if you fail to maintain the Water Heater in accordance with the requirements set out below under "Customer Obligations - Safety";
- g) for service charges or parts replacement related to the use of load control devices, peak savings, load timers and all other energy saving devices; or
- h) if you fail to notify us as described below under "Customer Obligations - Duty to Maintain".

Should you require assistance, our 24-hour per day, 7 days per week emergency phone number is **1-844-enercare**. Should we update this phone number, the updated number can be found on the Enercare website at www.enercare.ca.

4. Customer Obligations. In return for fulfilling our obligations to you, you agree that:

For the purposes of this Agreement, "CPI" means the All-items Consumer Price Index (not seasonally adjusted) for Ontario or the equivalent thereof, or any comparable successor index thereof, published by Statistics Canada in October in respect of the immediately preceding September to September period, or by any other equivalent or duly authorized department of the Government of Canada (for clarity, the Consumer Price Index in Canada is expressed in terms of 2002 = 100). We will notify you of any such rental rate increases in advance in bill inserts, by letter or by any method permitted by law.

b) Payment of Charges – You will pay your charges billed under this Agreement when due. You agree to pay HST and any other taxes payable in connection with this Agreement. Should any payment be returned for non-sufficient funds ("NSF"), you agree to pay a NSF charge of \$25. A late payment charge will apply to all overdue amounts on your bill, including applicable federal and provincial taxes. The rate for late payment charges is 1.5% per month or 18% per year (for an effective rate of 19.56% per year). Your bill is due on the date indicated on the bill.

- ix) not permit anyone who has not been authorized by us to service, repair, modify, alter, adjust, move or disconnect the Water Heater.

e) Duty to Maintain – If the Water Heater is gas-fired, you are required, as the user of the Water Heater, under law to ensure that it is maintained in a safe operating condition [Ontario regulation 212/01 Section 15]. In the event that a service or repair is required please call **1-844-enercare**.

f) Ownership, Credit and Security Interest. You agree that:

- i) if more than one customer is named on the account, each of you is individually liable, and all of you are collectively liable, for all obligations imposed on you by this Agreement;
- ii) during the term of this Agreement, the Water Heater remains our property, does not become a fixture, and you will not tamper with any tag(s) or sticker(s) identifying the Water Heater as rented equipment or that it is owned by us;
- iii) we may inquire about your credit history and, if necessary, use the personal information you have provided to us to do so. For greater certainty, you authorize any credit reporting agency to give us credit or other personal information about you from time to time during the term of this Agreement. You can withdraw this authorization at any time. If you do or we are not satisfied with the results of any credit check, we may end this Agreement and the provisions of "Termination - Termination by Us" will apply;
- iv) you will promptly inform us of any change in your: (i) mailing address at least 30 days in advance of such change; and/or (ii) if previously provided, bank account or credit card information promptly after such change is made;

vi) we may register, at your expense, our interest in the Water Heater against you and/or against title to the premises. To the extent permitted by law, you agree to waive any right to receive a copy of such registration and appoint us as your lawful attorney for the purpose of doing any such registrations. You agree that the Water Heater will remain personal property even though it may become affixed to the premises. You agree to keep the Water Heater free of all liens, security interests, mortgages and other claims.

5. Sale of your Home – If you sell or otherwise transfer the premises, you are required to inform the transferee, at or before the effective date of the sale or transfer, of the existence of this Agreement and the rental Water Heater installed in the premises. - b) you or your representative advise us in advance of the transferee's name and the intended date of sale or transfer;
- c) you or your representative advise us in advance of the address and telephone number where you can be contacted after the date of sale or transfer;
- d) the transferee agrees in writing or by conduct to assume your obligations under this Agreement; and
- e) you have paid us all amounts owing under this Agreement.

Unless and until these conditions are satisfied, or unless Enercare otherwise waives any or all of these conditions, which we are under no obligation to do, you will remain responsible for the Water Heater rental and your obligations under this Agreement, including making all rental payments. You hereby authorize us to respond to information requests relating to your account made by or on behalf of the transferee.

6. Customer Advisory. The Water Heater may be equipped with flammable vapour ignition resistant (“FVIR”) technology. Enercare encourages you to read the Water Heater Use & Care Manual provided to you upon or after installation of the Water Heater. Certain activities such as, without limitation, painting or using solvents could cause the FVIR technology to “lockout” the Water Heater causing it to no longer function until reset by a qualified service technician. Resetting the Water Heater caused by FVIR “lockout” is not covered by Enercare under this Agreement and, if applicable, you will be charged for both parts and labour at our then current rates.

7. Warranties and Liability.

- a) Warranties** – We make no representations, warranties or conditions as to the performance of the Water Heater except for those which are given by statute and which you cannot waive and except any express warranties provided by the manufacturer of the Water Heater, except as provided below. Subject to you carrying-out your obligations under this Agreement (including those under “Customer Obligations”) and subject to the limitations set out under “Liability”, we hereby warrant that the Water Heater will work and provide hot water, and will not leak or rupture, for the term of this Agreement, reasonable wear and tear excepted. We are not the manufacturer of the Water Heater and we are not making any warranty or guarantee in respect of it, the supplier or the manufacturer of the Water Heater, including whether the Water Heater is suitable for you, except as provided above. Any warranties or guarantees provided under applicable legislation are hereby excluded to the extent permitted by law.
- b) Liability** – Except as otherwise expressly provided in this Agreement, we will not be liable for any loss, damage or injury of any type (including as a result of water leakage or any electrical or natural gas related events) arising out of or related to this Agreement or caused or contributed to in any way by the supply, installation, use and/or operation of the Water Heater. We shall not be responsible for any indirect, incidental, special or consequential damages, even if reasonably foreseeable. If we are unable to perform any of our obligations under this Agreement because of circumstances or events beyond our control, we shall be excused from the performance of such obligations for the duration of such circumstances or events and we shall not be liable to you for such failure to perform.
- c) Indemnity** – You will indemnify us from all claims, losses and costs that we may suffer or pay or may be required to pay, including legal expenses, in connection with this Agreement, including its termination or enforcement, or the supply, use and/or operation of the Water Heater including any claims against us for any injury or death to individuals or damage to property, including from your negligence or misuse of the Water Heater. This obligation survives the termination of this Agreement for any reason.
- d) Insurance** – During the term of this Agreement, you are responsible for any loss or damage to the Water Heater from any cause, whether or not insured, until all of your obligations under this Agreement have been fulfilled.

8. Personal Information About You. We collect personal information about you in order to establish and manage our, and our authorized service provider's, business relationship with you. We won't knowingly share this information with third parties without your permission, other than to service providers, parties that provide us with credit information, parties to whom we transfer, assign, encumber or otherwise dispose of this Agreement or the Water Heater or otherwise in accordance with our Privacy Policy which is available at enercare.ca/privacy-policy or can be obtained from our Privacy Officer. We may record our telephone conversation with you and disclose the recordings to achieve the purposes set out in this section.

9. Termination

Termination by Us – If you fail to meet any of your obligations (including payment obligations) set out in this Agreement, you agree that we may terminate this Agreement and bill you for the applicable buyout price and on the other terms set out below under “Termination – Termination by You”. You agree to pay the buyout price when invoiced by us.

Termination by You – Your sole method of terminating this

Agreement prior to the end of the useful life of the Water Heater is to purchase the Water Heater. You may purchase the Water Heater at any time for a buyout price that reflects, among other things, the unpaid cost of the Water Heater and related installation, finance and servicing costs, which buyout price can be found on our website. You can also confirm the buyout price by calling an Enercare Rental Specialist at **1-877-334-1846**. You may exercise your buyout option by notifying us in writing or by calling an Enercare Rental Specialist at **1877-334-1846**.

When you exercise your buyout option, you accept the Water Heater in an “as-is” condition, subject to the balance of any transferable manufacturer’s warranty, and you assume full responsibility for the Water Heater and its repair and maintenance. You also agree to pay the buyout price when invoiced by us.

Once payment has been received for the buyout price, and no other amounts are outstanding pursuant to this Agreement, this Agreement will end for the Water Heater and, as set out more particularly below in the section called “End of this Agreement”, you will have no further obligation to pay rent and we will have no further obligation to you.

10. End of this Agreement. At the end of this Agreement (for whatever reason):

- a) **Rent** – you are not obligated to rent and we are not obligated to supply replacement equipment (including a water heater), unless we mutually agree at the time and enter into a new water heater rental agreement.
- b) **Replacement** – Enercare is not responsible for replacing the Water Heater or re-connecting any ancillary or other equipment including without limitation venting, piping, plumbing, wiring, ducting, and/or electrical services.
- c) **Removal and Disposal** – if the Water Heater has reached the end of its useful life and we are not installing a replacement Water Heater, you shall at such time own the Water Heater, and if you wish for us to disconnect and/or dispose of the Water Heater, you must contact us by calling 1877-334-1846 to make such arrangements. We will charge you in accordance with our then current fee schedules for removals or disposals.
- d) **No Further Obligations** – you will have no further obligation to pay rent (other than rent owing prior to the end of this Agreement) and, subject to any statutorily mandated requirements, we will have no further obligations of any kind or manner to you.

11. Assignments. We may transfer, assign, encumber or otherwise dispose of all or any part of our interest in this Agreement and/or the Water Heater to another party at any time without notice to you and without your permission. To the extent permitted by law, you will not assert against any transferee any claims, defences, set-offs, deductions or counter-claims which you may now or in the future be entitled to assert against us. Except as otherwise provided in this Agreement, you may not transfer, assign or encumber all or part of your interest in this Agreement or the Water Heater without our prior written consent (see the section called “Sale of your Home”).

12. Invalidity of Provision. If any provision of this Agreement or the application thereof to any person or circumstance is held to be invalid or unenforceable, such provision shall be severed and the remainder of this Agreement shall continue to remain in full force and effect subject to such modifications as may be necessary to carry out the provisions and intent of this Agreement.

13. Governing Law. This Agreement will be governed by and construed in accordance with the laws of the Province of Ontario and federal laws of Canada applicable therein.

14. Entire Agreement and Amendments. You understand that this Agreement is the entire agreement between you and us and super-cedes all prior agreements, understandings or discussions, whether oral or written, and there are no warranties, representations or other agreements except as specifically set out in this Agreement. This Agreement may be amended from time to time by us by notice in bill inserts, by letter or by any method permitted by law in which case you will have the option to not accept such amendment and retain this Agreement unchanged.

--	---

1. Commitment. “Our”, “us” “we” or “Enercare” means **Enercare Home and Commercial Services Limited Partnership**. Our commitment to you, our rental customer, (“you”, “your” or “customer”), is to provide you with a reliable, trouble- free water heater in accordance with this Residential Water Heater Agreement (the “**Agreement**”). The water heater (“**Water Heater**”) you rent from us, as set out above, is backed by Enercare to the extent provided in this Agreement.

2. Term. The term of this Agreement commences on the date you agreed to this Agreement (which is the same as the date of your agreement of purchase and sale for the home). The term of the Water Heater rental ends if this Agreement is terminated by you or us in accordance with its terms (which, for greater certainty, includes you exercising your buyout option in accordance with the terms of this Agreement) or when the useful life of the Water Heater has ended. The useful life of the Water Heater ends when Enercare or its authorized service provider determines, having regard to the relevant factors, including without limitation, the age of the Water Heater and the cost of any repairs to be made to the Water Heater, that it is no longer commercially reasonable to repair the Water Heater. For greater certainty, you do not have any right to subsequently request a different water heater than the one you rent from us under this Agreement.

If this Agreement is terminated within the first eighteen (18) months following the date we install the Equipment, in addition to payment of the buy-out price contemplated in Section 9 of this Agreement, you agree to pay us the total amount of (a) any monthly rental payments waived as part of any applicable promotion and (b) the value of any prepaid credit card or other product provided to you as part of any applicable promotion.

3. Our Obligation to You. Our obligation to you is to service and repair the Water Heater with no service charges or parts replacement charges **except** in the following circumstances:

- a) if you (or a third party not authorized by us) alter, modify, adjust, damage, service, repair, move or disconnect, the Water Heater;
- b) if service or repairs to the Water Heater are necessary because the Water Heater was used for an unintended or unauthorized purpose, including non-residential purposes;
- c) unless you are paying our hard water rental rate, if the Water Heater requires de-liming, flushing or other repair due to water conditions or the quality of the environment in which the Water Heater is situated. For greater certainty, Enercare determines hard water conditions. In such situations, we cover only diagnostic work;
- d) where venting, piping, wiring, plumbing, ducting and/or electric services requires cleaning, repair, replacement or installation, including to meet applicable laws or installation requirements;
- e) where re-setting is required due to FVIR "lock-out" as described below under "Customer Advisory";
- f) if you fail to maintain the Water Heater in accordance with the requirements set out below under "Customer Obligations - Safety";
- g) for service charges or parts replacement related to the use of load control devices, peak savings, load timers and all other energy saving devices; or
- h) if you fail to notify us as described below under "Customer Obligations - Duty to Maintain".

Should you require assistance, our 24-hour per day, 7 days per week emergency phone number is **1-844-enercare**. Should we update this phone number, the updated number can be found on the Enercare website at www.enercare.ca.

4. Customer Obligations. In return for fulfilling our obligations to you, you agree that:

a) Rental Charges – The rate on the date of this Agreement for your monthly rental charge is indicated above. You will be responsible for paying rental charges from the date the Water Heater is installed or, if you purchased the premises after the Water Heater was installed, from the closing date of the purchase. We may increase our rental rates on January 1 of each calendar year by a percentage up to the percentage increase to CPI plus 2%. For the purposes of this Agreement, "CPI" means the All-items Consumer Price Index (not seasonally adjusted) for Ontario or the equivalent thereof, or any comparable successor index thereof, published by Statistics Canada in October in respect of the immediately preceding September to September period, or by any other equivalent or duly authorized department of the Government of Canada (for clarity, the Consumer Price Index in Canada is expressed in terms of 2002 = 100). We will notify you of any such rental rate increases in advance in bill inserts, by letter or by any method permitted by law.

b) Payment of Charges – You will pay your charges billed under this Agreement when due. You agree to pay HST and any other taxes payable in connection with this Agreement. Your charges may be included on your utility bill, or we may choose to bill you separately or through our service provider. Acceptable methods of payment, which currently include pre-authorized payment, payment by cheque, by telephone or in person, or online banking, will be set out on the bill you receive. Should any payment be returned for non-sufficient funds ("NSF"), you agree to pay a NSF charge of \$25. A late payment charge will apply to all overdue amounts on your bill, including applicable federal and provincial taxes. The rate for late payment charges is 1.5% per month or 18% per year (for an effective rate of 19.56% per year). Your bill is due on the date indicated on the bill.

c) Access – You will provide us with timely access to the Water Heater whenever required by us to perform our obligations or exercise our rights under this Agreement.

d) Safety – You will use the Water Heater safely and responsibly. In particular, you will:

- i) maintain effective operation of any plumbing and pumping systems supplying water to the Water Heater;
- ii) ensure that no combustible, hazardous or flammable materials are used or stored in the same room as, or near, the Water Heater;
- iii) ensure that the Water Heater is not confined in a location where it is difficult to service or remove or where there is inadequate ventilation;
- iv) provide us with access to the Water Heater whenever reasonably required for purposes of inspection, repair, maintenance or removal;
- v) inspect the area around the Water Heater on a regular basis for any sign of water leakage;
- vi) contact us for service if you see any sign of carbon or rust on the bottom or sides of the Water Heater or any signs of water leakage;
- vii) ensure that the Water Heater is located in an area with sufficient drainage in the vicinity, and that the drainage is open, unrestricted and effective;
- viii) if the Water Heater is gas-fired, ensure that the vents and openings for combustion air are kept clear and clean and otherwise well-maintained and there is adequate ventilation; and
- ix) not permit anyone who has not been authorized by us to service, repair, modify, alter, adjust, move or disconnect the Water Heater.

e) Duty to Maintain – If the Water Heater is gas-fired, you are required, as the user of the Water Heater, under law to ensure that it is maintained in a safe operating condition [Ontario regulation 212/01 Section 15]. In the event that a service or repair is required please call **1-844-enercare**.

f) Ownership, Credit and Security Interest. You agree that:

- i) if more than one customer is named on the account, each of you is individually liable, and all of you are collectively liable, for all obligations imposed on you by this Agreement;
- ii) during the term of this Agreement, the Water Heater remains our property, does not become a fixture, and you will not tamper with any tag(s) or sticker(s) identifying the Water Heater as rented equipment or that it is owned by us;
- iii) we may inquire about your credit history and, if necessary, use the personal information you have provided to us to do so. For greater certainty, you authorize any credit reporting agency to give us credit or other personal information about you from time to time during the term of this Agreement. You can withdraw this authorization at any time. If you do or we are not satisfied with the results of any credit check, we may end this Agreement and the provisions of "Termination - Termination by Us" will apply;
- iv) you will promptly inform us of any change in your: (i) mailing address at least 30 days in advance of such change; and/or (ii) if previously provided, bank account or credit card information promptly after such change is made;
- v) this Agreement is binding upon and will enure to your heirs, personal representatives, successors and permitted assigns; and
- vi) we may register, at your expense, our interest in the Water Heater against you and/or against title to the premises. To the extent permitted by law, you agree to waive any right to receive a copy of such registration and appoint us as your lawful attorney for the purpose of doing any such registrations. You agree that the Water Heater will remain personal property even though it may become affixed to the premises. You agree to keep the Water Heater free of all liens, security interests, mortgages and other claims.

5. Sale of your Home – If you sell or otherwise transfer the premises, you are required to inform the transferee, at or before the effective date of the sale or transfer, of the existence of this Agreement and the rental Water Heater installed in the premises. We will permit the transferee to assume your rights and obligations under this Agreement, effective from the date of sale or transfer; provided that:

- a) you or your representative notify the transferee in the sale or transfer agreement that the Water Heater is rented and is subject to this Agreement;
- b) you or your representative advise us in advance of the transferee's name and the intended date of sale or transfer;
- c) you or your representative advise us in advance of the address and telephone number where you can be contacted after the date of sale or transfer;
- d) the transferee agrees in writing or by conduct to assume your obligations under this Agreement; and
- e) you have paid us all amounts owing under this Agreement. Unless and until these conditions are satisfied, or

Unless Enercare otherwise waives any or all of these conditions, which we are under no obligation to do, you will remain responsible for the Water Heater rental and your obligations under this Agreement, including making all rental payments. You hereby authorize us to respond to information requests relating to your account made by or on behalf of the transferee.

6. Customer Advisory. The Water Heater may be equipped with flammable vapour ignition resistant (“FVIR”) technology. Enercare encourages you to read the Water Heater Use & Care Manual provided to you upon or after installation of the Water Heater. Certain activities such as, without limitation, painting or using solvents could cause the FVIR technology to “lockout” the Water Heater causing it to no longer function until reset by a qualified service technician. Resetting the Water Heater caused by FVIR “lockout” is not covered by Enercare under this Agreement and, if applicable, you will be charged for both parts and labour at our then current rates.

7. Warranties and Liability.

- a) **Warranties** – We make no representations, warranties or conditions as to the performance of the Water Heater except for those which are given by statute and which you cannot waive and except any express warranties provided by the manufacturer of the Water Heater, except as provided below. Subject to you carrying-out your obligations under this Agreement (including those under “Customer Obligations”) and subject to the limitations set out under “Liability”, we hereby warrant that the Water Heater will work and provide hot water, and will not leak or rupture, for the term of this Agreement, reasonable wear and tear excepted. We are not the manufacturer of the Water Heater and we are not making any warranty or guarantee in respect of it, the supplier or the manufacturer of the Water Heater, including whether the Water Heater is suitable for you, except as provided above. Any warranties or guarantees provided under applicable legislation are hereby excluded to the extent permitted by law.
- b) **Liability** – Except as otherwise expressly provided in this Agreement, we will not be liable for any loss, damage or injury of any type (including as a result of water leakage or any electrical or natural gas related events) arising out of or related to this Agreement or caused or contributed to in any way by the supply, installation, use and/or operation of the Water Heater. We shall not be responsible for any indirect, incidental, special or consequential damages, even if reasonably foreseeable. If we are unable to perform any of our obligations under this Agreement because of circumstances or events beyond our control, we shall be excused from the performance of such obligations for the duration of such circumstances or events and we shall not be liable to you for such failure to perform.
- c) **Indemnity** – You will indemnify us from all claims, losses and costs that we may suffer or pay or may be required to pay, including legal expenses, in connection with this Agreement, including its termination or enforcement, or the supply, use and/or operation of the Water Heater including any claims against us for any injury or death to individuals or damage to property, including from your negligence or misuse of the Water Heater. This obligation survives the termination of this Agreement for any reason.
- d) **Insurance** – During the term of this Agreement, you are responsible for any loss or damage to the Water Heater from any cause, whether or not insured, until all of your obligations under this Agreement have been fulfilled.

8. Personal Information About You. We collect personal information about you in order to establish and manage our, and our authorized service provider's, business relationship with you. We won't knowingly share this information with third parties without your permission, other than to service providers, parties that provide us with credit information, parties to whom we transfer, assign, encumber or otherwise dispose of this Agreement or the Water Heater or otherwise in accordance with our Privacy Policy which is available at enercare.ca/privacy-policy or can be obtained from our Privacy Officer. We may record our telephone conversation with you and disclose the recordings to achieve the purposes set out in this section.

9. Termination

Termination by Us – If you fail to meet any of your obligations (including payment obligations) set out in this Agreement, you agree that we may terminate this Agreement and bill you for the applicable buyout price and on the other terms set out below under “Termination – Termination by You”. You agree to pay the buyout price when invoiced by us.

Termination by You – Your sole method of terminating this

Agreement prior to the end of the useful life of the Water Heater is to purchase the Water Heater. You may purchase the Water Heater at any time for a buyout price that reflects, among other things, the unpaid cost of the Water Heater and related installation, finance and servicing costs, which buyout price can be found on our website. You can also confirm the buyout price by calling an Enercare Rental Specialist at **1-877-334-1846**. You may exercise your buyout option by notifying us in writing or by calling an Enercare Rental Specialist at **1877-334-1846**.

When you exercise your buyout option, you accept the Water Heater in an “as-is” condition, subject to the balance of any transferable manufacturer's warranty, and you assume full responsibility for the Water Heater and its repair and maintenance. You also agree to pay the buyout price when invoiced by us.

Once payment has been received for the buyout price, and no other amounts are outstanding pursuant to this Agreement, this Agreement will end for the Water Heater and, as set out more particularly below in the section called “End of this Agreement”, you will have no further obligation to pay rent and we will have no further obligation to you.

10. End of this Agreement. At the end of this Agreement (for whatever reason):

- a) **Rent** – you are not obligated to rent and we are not obligated to supply replacement equipment (including a water heater), unless we mutually agree at the time and enter into a new water heater rental agreement.

- b) **Replacement** – Enercare is not responsible for replacing the Water Heater or re-connecting any ancillary or other equipment including without limitation venting, piping, plumbing, wiring, ducting, and/or electrical services.
- c) **Removal and Disposal** – if the Water Heater has reached the end of its useful life and we are not installing a replacement Water Heater, you shall at such time own the Water Heater, and if you wish for us to disconnect and/or dispose of the Water Heater, you must contact us by calling 1877-334-1846 to make such arrangements. We will charge you in accordance with our then current fee schedules for removals or disposals.
- d) **No Further Obligations** – you will have no further obligation to pay rent (other than rent owing prior to the end of this Agreement) and, subject to any statutorily mandated requirements, we will have no further obligations of any kind or manner to you.

11. Assignments. We may transfer, assign, encumber or otherwise dispose of all or any part of our interest in this Agreement and/or the Water Heater to another party at any time without notice to you and without your permission. To the extent permitted by law, you will not assert against any transferee any claims, defences, set-offs, deductions or counter-claims which you may now or in the future be entitled to assert against us. Except as otherwise provided in this Agreement, you may not transfer, assign or encumber all or part of your interest in this Agreement or the Water Heater without our prior written consent (see the section called “Sale of your Home”).

12. Invalidity of Provision. If any provision of this Agreement or the application thereof to any person or circumstance is held to be invalid or unenforceable, such provision shall be severed and the remainder of this Agreement shall continue to remain in full force and effect subject to such modifications as may be necessary to carry out the provisions and intent of this Agreement.

13. Governing Law. This Agreement will be governed by and construed in accordance with the laws of the Province of Ontario and federal laws of Canada applicable therein.

14. Entire Agreement and Amendments. You understand that this Agreement is the entire agreement between you and us and super-cedes all prior agreements, understandings or discussions, whether oral or written, and there are no warranties, representations or other agreements except as specifically set out in this Agreement. This Agreement may be amended from time to time by us by notice in bill inserts, by letter or by any method permitted by law in which case you will have the option to not accept such amendment and retain this Agreement unchanged.

Sale of your Home – If you sell or otherwise transfer the premises, you are required to inform the transferee, at or before the effective date of the sale or transfer, of the existence of this Agreement and the rental Water Heater installed in the premises. We will permit the transferee to assume your rights and obligations under this Agreement, effective from the date of sale or transfer; provided that:

- d) the transferee agrees in writing or by conduct to assume your obligations under this Agreement; and
- e) you have paid us all amounts owing under this Agreement.

Unless and until these conditions are satisfied, or unless Enercare otherwise waives any or all of these conditions, which we are under no obligation to do, you will remain responsible for the Water Heater rental and your obligations under this Agreement, including making all rental payments. You hereby authorize us to respond to information requests relating to your account made by or on behalf of the transferee.

6. Customer Advisory. The Water Heater may be equipped with flammable vapour ignition resistant (“FVIR”) technology. Enercare encourages you to read the Water Heater Use & Care Manual provided to you upon or after installation of the Water Heater. Certain activities such as, without limitation, painting or using solvents could cause the FVIR technology to “lockout” the Water Heater causing it to no longer function until reset by a qualified service technician. Resetting the Water Heater caused by FVIR “lockout” is not covered by Enercare under this Agreement and, if applicable, you will be charged for both parts and labour at our then current rates.

7. Warranties and Liability.

- a) Warranties** – We make no representations, warranties or conditions as to the performance of the Water Heater except for those which are given by statute and which you cannot waive and except any express warranties provided by the manufacturer of the Water Heater, except as provided below. Subject to you carrying-out your obligations under this Agreement (including those under “Customer Obligations”) and subject to the limitations set out under “Liability”, we hereby warrant that the Water Heater will work and provide hot water, and will not leak or rupture, for the term of this Agreement, reasonable wear and tear excepted. We are not the manufacturer of the Water Heater and we are not making any warranty or guarantee in respect of it, the supplier or the manufacturer of the Water Heater, including whether the Water Heater is suitable for you, except as provided above. Any warranties or guarantees provided under applicable legislation are hereby excluded to the extent permitted by law.
- b) Liability** – Except as otherwise expressly provided in this Agreement, we will not be liable for any loss, damage or injury of any type (including as a result of water leakage or any electrical or natural gas related events) arising out of or related to this Agreement or caused or contributed to in any way by the supply, installation, use and/or operation of the Water Heater. We shall not be responsible for any indirect, incidental, special or consequential damages, even if reasonably foreseeable. If we are unable to perform any of our obligations under this Agreement because of circumstances or events beyond our control, we shall be excused from the performance of such obligations for the duration of such circumstances or events and we shall not be liable to you for such failure to perform.
- c) Indemnity** – You will indemnify us from all claims, losses and costs that we may suffer or pay or may be required to pay, including legal expenses, in connection with this Agreement, including its termination or enforcement, or the supply, use and/or operation of the Water Heater including any claims against us for any injury or death to individuals or damage to property, including from your negligence or misuse of the Water Heater. This obligation survives the termination of this Agreement for any reason.
- d) Insurance** – During the term of this Agreement, you are responsible for any loss or damage to the Water Heater from any cause, whether or not insured, until all of your obligations under this Agreement have been fulfilled.

9. Termination

Termination by Us – If you fail to meet any of your obligations (including payment obligations) set out in this Agreement, you agree that we may terminate this Agreement and bill you for the applicable buyout price and on the other terms set out below under “Termination – Termination by You”. You agree to pay the buyout price when invoiced by us.

Termination by You – Your sole method of terminating this

Agreement prior to the end of the useful life of the Water Heater is to purchase the Water Heater. You may purchase the Water Heater at any time for a buyout price that reflects, among other things, the unpaid cost of the Water Heater and related installation, finance and servicing costs, which buyout price can be found on our website. You can also confirm the buyout price by calling an Enercare Rental Specialist at **1-877-334-1846**. You may exercise your buyout option by notifying us in writing or by calling an Enercare Rental Specialist at **1877-334-1846**.

When you exercise your buyout option, you accept the Water Heater in an “as-is” condition, subject to the balance of any transferable manufacturer's warranty, and you assume full responsibility for the Water Heater and its repair and maintenance. You also agree to pay the buyout price when invoiced by us.

Once payment has been received for the buyout price, and no other amounts are outstanding pursuant to this Agreement, this Agreement will end for the Water Heater and, as set out more particularly below in the section called “End of this Agreement”, you will have no further obligation to pay rent and we will have no further obligation to you.

10. End of this Agreement. At the end of this Agreement (for whatever reason):

- a) Rent** – you are not obligated to rent and we are not obligated to supply replacement equipment (including a water heater), unless we mutually agree at the time and enter into a new water heater rental agreement.
- b) Replacement** – Enercare is not responsible for replacing the Water Heater or re-connecting any ancillary or other equipment including without limitation venting, piping, plumbing, wiring, ducting, and/or electrical services.
- c) Removal and Disposal** – if the Water Heater has reached the end of its useful life and we are not installing a replacement Water Heater, you shall at such time own the Water Heater, and if you wish for us to disconnect and/or dispose of the Water Heater, you must contact us by calling 1877-334-1846 to make such arrangements. We will charge you in accordance with our then current fee schedules for removals or disposals.
- d) No Further Obligations** – you will have no further obligation to pay rent (other than rent owing prior to the end of this Agreement) and, subject to any statutorily mandated requirements, we will have no further obligations of any kind or manner to you.

11. Assignments. We may transfer, assign, encumber or otherwise dispose of all or any part of our interest in this Agreement and/or the Water Heater to another party at any time without notice to you and without your permission. To the extent permitted by law, you will not assert against any transferee any claims, defences, set-offs, deductions or counter-claims which you may now or in the future be entitled to assert against us. Except as otherwise provided in this Agreement, you may not transfer, assign or encumber all or part of your interest in this Agreement or the Water Heater without our prior written consent (see the section called "Sale of your Home").

12. Invalidity of Provision. If any provision of this Agreement or the application thereof to any person or circumstance is held to be invalid or unenforceable, such provision shall be severed and the remainder of this Agreement shall continue to remain in full force and effect subject to such modifications as may be necessary to carry out the provisions and intent of this Agreement.

13. Governing Law. This Agreement will be governed by and construed in accordance with the laws of the Province of Ontario and federal laws of Canada applicable therein.

14. Entire Agreement and Amendments. You understand that this Agreement is the entire agreement between you and us and super-cedes all prior agreements, understandings or discussions, whether oral or written, and there are no warranties, representations or other agreements except as specifically set out in this Agreement. This Agreement may be amended from time to time by us by notice in bill inserts, by letter or by any method permitted by law in which case you will have the option to not accept such amendment and retain this Agreement unchanged.

By entering into this Agreement of Purchase and Sale, the Purchaser acknowledges and agrees that (i) the hot water heating system and related equipment to be installed in the home will be a rental unit, rented by the Purchaser from Enercare Home and Commercial Services Limited Partnership ("**Enercare**") pursuant to a rental contract with Enercare, and (ii) the Purchaser does hereby enter into a rental agreement with Enercare on the terms and conditions described in the information contained in this Schedule "REN" of this Agreement of Purchase and Sale. The Purchaser further acknowledges and agrees that the Purchaser's personal information, including this Agreement of Purchase and Sale, may be disclosed to Enercare and consents to such disclosure and Enercare's collection and use of such personal information.

If the Supplier is Enercare, the Purchaser further acknowledges and agrees that the Vendor is not a party to, and shall have no responsibility or liability whatsoever in respect of, the rental contract or any related matters, including but not limited to rental rates, term, billing, maintenance, service, removal, buy-out, disputes, defaults, or termination. All matters relating to the Equipment rented to the Purchaser by Enercare and any agreement governing same shall be dealt with solely and directly between the Purchaser and Enercare, without recourse to the Vendor.

The Purchaser agrees that it shall not make any claim against the Vendor, nor look to the Vendor for any remedy, indemnity, or compensation arising from or relating in any way to the Equipment or the Purchaser's contractual relationship with Enercare.

As noted above, the Vendor may, at its sole and unfettered discretion, change the Supplier to a supplier other than Enercare and/or decide not to provide the Equipment on a rental basis in accordance with the provision of Schedule "X" of the Agreement of Purchase and Sale, and the Purchaser shall accept such changes.

In the event that the Supplier is not Enercare, then the Purchaser agrees to execute a rental agreement for the Equipment, if required by such Supplier, and hereby authorizes the Vendor, to the extent required, to act as its fully indemnified agent for the limited purpose of doing so on its behalf. The Purchaser also hereby covenants and agrees to, in addition to executing the rental agreement with the Supplier for the Equipment, take all necessary steps to assume immediately on Closing, charges for hydro, water and other services, and the Vendor may recover any payments therefor from the Purchaser in the event that such payments were incurred or paid by the Vendor. The rental agreement may contain provisions with respect to: (i) requirement for the Purchaser to make monthly rental payments for the Equipment; (ii) penalties and/or interest applicable to late rental payments; (iii) annual increases to the monthly rental payments; (iv) requirements for the Purchaser, upon the sale of the Property to a new purchaser, to notify the new purchaser that the Equipment is leased and to have the new purchaser of the Property enter into a new or assume the existing rental agreement for the Equipment; (v) insurance requirements; and (v) a buy-out option allowing the Purchaser to purchase the Equipment if desired, but Purchasers are advised that such purchase price shall be determined by the Supplier in accordance with the terms of the rental agreement and may be an onerous amount. Further, the rental agreement may be for a term up to fifteen (15) years

or longer. The rental agreement for the Equipment will take effect between the Purchaser and the Supplier of such Equipment on the Closing Date. The Purchaser understands that rental information, including the Supplier’s standard rental terms and conditions and the then current monthly rental rates (which may change from time to time, without notice to the Purchaser), were provided by the Supplier and shall be provided to the Purchaser prior to Closing. The Purchaser acknowledges and hereby agrees that charges for hydro, water and other services, and the Vendor may recover any payments therefor from the Purchaser in the event that such payments were incurred or paid by the Vendor.

In addition, the Purchaser covenants and agrees to notify all such utilities forthwith after Closing as to the change in ownership of the property and that all such accounts are to be transferred into the names of the Purchaser rather than the name of the Vendor. The water meter is not included in the purchase if it is not the property of the Vendor. The Purchaser shall pay, or reimburse the Vendor for the cost of, or the charge made for, water service or installation of the water meter and the cost of hydro installation and connection fee.

Please note that by initialing below, the Purchaser hereby agrees to the terms set out in this Schedule “REN”, agrees to enter into a rental agreement with the Supplier designated by the Vendor prior to closing and the Purchaser agrees to accept the terms and conditions of the Supplier that is chosen by the Vendor, at its sole, absolute and unfettered discretion.

I/We, the Purchaser(s) acknowledge that I/We have read the documents pertaining to Schedule “REN” and agree to the aforementioned.

25) At the time of execution of this Agreement, the subdivision or development agreement(s) for the property has not been finalized. In the event that such agreement(s) contain requirements that certain provisions or notices be provided to purchasers in agreements of purchase and sale or otherwise that are not already provided for herein, the Vendor agrees to provide such provisions or notices to the Purchaser as soon as reasonably possible. Any such provisions or notices so provided to the Purchaser by the Vendor (by e-mail or other method of delivery as selected by the Vendor) shall automatically, and without further action required by either party hereto, form part of this Agreement. In addition, upon receipt of such notice or provisions, the Purchaser, if so requested by the Vendor, agrees to attend and execute such amendments to this Agreement as may be required incorporating such notices or provisions as part of this Agreement.

26) The subdivision will be constructed in a planned sequence. Some areas will be occupied while other areas are under construction. As such, temporary inconveniences due to ongoing construction activities such as noise, dust, dirt, debris, and construction vehicle traffic may occur throughout the duration of the development of this community. The completion of some

dwellings in this subdivision may be delayed until after the completion of exterior finishes on adjacent buildings.

- 27) Purchasers are advised that this community is subject to Architectural Control. Models available for sale have to be pre-approved by the Control Architect and certain models may not be available for some of the lots. Check with your builder for the particular situation for the model and lot you intend to purchase.
- 28) Purchasers are advised that each lot and block within the plan is subject to municipal property tax assessment and the owner of such lot or block shall, upon completion of assessment by the Town of Caledon, receive a notice for payment of municipal property tax back to the time of registration of the lot or block.

- 33) Purchasers and/or tenants acknowledge that every contract for the sale of any land within the plan shall, notwithstanding that land may have been released from the charge and burden of the Town's Subdivision Agreement, for all other purposes, contain the following restrictions and they will be incorporated in all conveyances as covenants running with the land for the benefit of the other land in the plan:
 - a) No rear lot drain, or other drain established by this Agreement may be clogged, filled altered, obstructed, or removed without the consent of the Town of Caledon.
 - b) No lot shall be altered in such a way that its drainage or the drainage of any other lot is interfered with.
- 34) At the time of execution of this agreement, the final grading plan for the property has not been finalized. The developer reserves the right to revise the location of any storm drainage works, including catch basins, and rear lot catch basins (if applicable), providing the final location is approved by the Town of Caledon.
- 35) Purchasers are advised they shall not alter or interfere with the lot grading and drainage levels and patterns as approved by the Town of Caledon, nor shall the purchaser alter, fill, fence, stop up or allow to become clogged or fall into a state of disrepair, any front, rear or side yard drainage depression or swale, catch basin, infiltration gallery or other drainage channel, facility or installation, as such alteration or other action as stated above may cause a failure of the drainage system in the area. Purchasers are advised that any unauthorized alteration of the established grading and drainage patterns by the homeowner may result in negative drainage impacts to adjoining lots and will be liable for any resulting damages and costs.
- 36) Purchasers acknowledge that the Town's Subdivision Agreement may require that a sidewalk be built on the side of the street on which their lot fronts and will not object to the construction of that sidewalk and this clause shall not merge in the closing of this transaction.
- 37) Purchasers and/or tenants are advised that home/business mail delivery will be from designated Community Mailboxes and that purchasers are to be notified by the developer/owner regarding the exact centralized mailbox locations prior to the closing of any home sales.
- 38) Purchasers and/or tenants are advised that private landscaping is not permitted to encroach within the Town's road allowance, Natural Heritage System, Stormwater Management Ponds, or any other Town property. Any unauthorized encroachments are to be removed by the homeowner prior to Assumption.
- 39) Purchasers and/or tenants are advised that private landscaping is not permitted within the road allowance area abutting your property without approval by the Town of Caledon.
- 40) Purchasers are advised that the Town of Caledon's current street tree planting standards, (which are subject to change), means that not every house may receive a tree. Purchasers are also advised that the ability to accommodate the planting of a street tree within the public road allowance will be influenced by housing form, development setbacks, utilities, driveway width

and location. The Town reserves the right, in its sole discretion, to determine whether a street tree will be planted at any particular location within the subdivision particularly on narrow building lots.

- 41) Purchasers are advised that there may be sidewalks and/or above ground utility facilities such as fire hydrants, hydro transformers, community mailboxes, cable/ telecommunication pedestals and on street parking restrictions located in front of their properties within the Town's road allowance or on easements.
- 42) Purchasers are advised that due to site specific side yard setbacks and zoning restrictions, air conditioning units may not be able to be accommodated in the side yard. Prior to proceeding to install an air conditioning unit the owner is to contact the Town of Caledon Zoning Section to confirm whether the unit can be accommodated.
- 43) Purchasers and/or tenants are advised that prior to the placement of any structures in side and rear yards, the Zoning By-law should be reviewed to determine compliance and that a Site Alteration Permit may be required prior to proceeding to do any site work
- 44) Purchasers are advised that nearby park facilities will attract people from outside the area and parking on the street by park users may be a common occurrence. Subject to compliance with municipal parking regulations, this on-street parking is deemed to be a legitimate use of the public road allowance.
- 45) Purchasers are advised that the Town may install lighting in the park for illumination and that the illumination may be visible from the subdivision.
- 46) Purchasers are advised that designated Transit Routes, service stops and/or shelters may be erected anywhere in the future. Purchasers are further advised that these Transit Routes will eventually connect to the future developments within this subdivision.
- 47) Purchasers and/or tenants of lots or units adjacent to, or in proximity to, the Neighbourhood Park and servicing/walkway blocks (if applicable) are advised that these open space areas will be used for general active and passive public recreation and leisure uses and may be used in the evenings and on weekends.
- 48) Purchasers are advised that the installation of a private swimming pool is not permitted until the subject lot receives its necessary lot grading certification. This certification serves to confirm that the lot has been constructed according to the approved plans, including the approved lot grading plan. Once the subject lot has been certified, owners wishing to construct a pool will be required to secure the necessary permits that allow for its installation from the Town of Caledon which may include modifications to the lots grading.
- 49) Purchasers adjacent to, or near channel blocks, and storm water management blocks are advised that these blocks have been vegetated to create a natural setting. Be advised that the Town of Caledon will not carry out routine maintenance such as grass and weed cutting. Some maintenance may occur in the areas that are developed by the Town for public walkway and trails.
- 50) Purchasers are advised that the storm water management pond will contain a permanent pool of water. The pond is subject to fluctuating water levels due to rain events and is not to be used for recreational purposes. Purchasers are also advised that the Town of Caledon reserves the right to install a public trail connection within this block.
- 51) Purchasers are advised that town-owned stormwater management ponds will be subject to scheduled maintenance and periodic cleanout in accordance with Town requirements.
- 52) Purchasers and /or tenants are advised that gates are not permitted to be installed along any boundary fence adjacent to any lands intended for a park, school, or Natural Heritage System.
- 53) Purchasers are advised that despite the inclusion of noise attenuation features within the development area and within the individual building units, noise levels will continue to increase, occasionally interfering with some activities of the building's occupants.
- 54) Prior to the construction and acceptance of the community mailbox locations, temporary mailbox locations may/will be utilized within the community. The location of the temporary mailboxes may not be the same location as the permanent community mailboxes.
- 55) Purchasers are advised that varying scales of telecommunication or hydro utility equipment may be located adjacent to the proposed development and may be visible from their dwelling.

SETTING AND CHANGING CRITICAL DATES

1. Setting Tentative Closing Dates and the Firm Closing Date

- (a) **Completing Construction Without Delay:** The Vendor shall take all reasonable steps to complete construction of the home on the Property and to Close without delay.
- (b) **First Tentative Closing Date:** The Vendor shall identify the First Tentative Closing Date in the Statement of Critical Dates attached to the Addendum at the time the Purchase Agreement is signed.
- (c) **Second Tentative Closing Date:** The Vendor may choose to set a Second Tentative Closing Date that is no later than 120 days after the First Tentative Closing Date. The Vendor shall give written notice of the Second Tentative Closing Date to the Purchaser at least 90 days before the First Tentative Closing Date, or else the First Tentative Closing Date shall for all purposes be the Firm Closing Date.
- (d) **Firm Closing Date:** The Vendor shall set a Firm Closing Date, which can be no later than 120 days after the Second Tentative Closing Date or, if a Second Tentative Closing Date is not set, no later than 120 days after the First Tentative Closing Date. If the Vendor elects not to set a Second Tentative Closing Date, the Vendor shall give written notice of the Firm Closing Date to the Purchaser at least 90 days before the First Tentative Closing Date, or else the First Tentative Closing Date shall for all purposes be the Firm Closing Date. If the Vendor elects to set a Second Tentative Closing Date, the Vendor shall give written notice of the Firm Closing Date to the Purchaser at least 90 days before the Second Tentative Closing Date, or else the Second Tentative Closing Date shall for all purposes be the Firm Closing Date.
- (e) **Notice:** Any notice given by the Vendor under paragraphs (c) and (d) above, must set out the stipulated Critical Date, as applicable.

2. Changing the Firm Closing Date – Three Ways

- (a) The Firm Closing Date, once set or deemed to be set in accordance with section 1, can be changed only:
 - (i) by the Vendor setting a Delayed Closing Date in accordance with section 3;
 - (ii) by the mutual written agreement of the Vendor and Purchaser in accordance with section 4; or
 - (iii) as the result of an Unavoidable Delay of which proper written notice is given in accordance with section 5.
- (b) If a new Firm Closing Date is set in accordance with section 4 or 5, then the new date is the “Firm Closing Date” for all purposes in this Addendum.

3. Changing the Firm Closing Date – By Setting a Delayed Closing Date

- (a) If the Vendor cannot Close on the Firm Closing Date and sections 4 and 5 do not apply, the Vendor shall select and give written notice to the Purchaser of a Delayed Closing Date in accordance with this section, and delayed closing compensation is payable in accordance with section 7.
- (b) The Delayed Closing Date may be any Business Day after the date the Purchaser receives written notice of the Delayed Closing Date but not later than the Outside Closing Date.
- (c) The Vendor shall give written notice to the Purchaser of the Delayed Closing Date as soon as the Vendor knows that it will be unable to Close on the Firm Closing Date, and in any event at least 10 days before the Firm Closing Date, failing which delayed closing compensation is payable from the date that is 10 days before the Firm Closing Date, in accordance with paragraph 7(c). If notice of a new Delayed Closing Date is not given by the Vendor before the Firm Closing Date, then the new Delayed Closing Date shall be deemed to be the date which is 90 days after the Firm Closing Date.
- (d) After the Delayed Closing Date is set, if the Vendor cannot Close on the Delayed Closing Date, the Vendor shall select and give written notice to the Purchaser of a new Delayed Closing Date, unless the delay arises due to Unavoidable Delay under section 5 or is mutually agreed upon under section 4, in which case the requirements of those sections must be met. Paragraphs (b) and (c) above apply with respect to the setting of the new Delayed Closing Date.
- (e) Nothing in this section affects the right of the Purchaser or Vendor to terminate the Purchase Agreement on the bases set out in section 10.

4. Changing Critical Dates – By Mutual Agreement

- (a) This Addendum sets out a framework for setting, extending and/or accelerating Critical dates, which cannot be altered contractually except as set out in this section 4. Any amendment not in accordance with this section is voidable at the option of the Purchaser.
- (b) The Vendor and Purchaser may at any time, after signing the Purchase Agreement, mutually agree in writing to accelerate or extend any of the Critical Dates. Any amendment which accelerates or extends any of the Critical Dates must include the following provisions:
 - (i) the Purchaser and Vendor agree that the amendment is entirely voluntary – the Purchaser has no obligation to sign the amendment and each understands that this purchase transaction will still be valid if the Purchaser does not sign this amendment;
 - (ii) the amendment includes a revised Statement of Critical Dates which replaces the previous Statement of Critical Dates;
 - (iii) the Purchaser acknowledges that the amendment may affect delayed closing compensation payable; and

Freehold Form (Tentative Closing Date)

- (iv) if the change involves extending either the Firm Closing Date or the Delayed Closing Date, then the amending agreement shall:
- i. disclose to the Purchaser that the signing of the amendment may result in the loss of delayed closing compensation as described in section 7;
 - ii. unless there is an express waiver of compensation, describe in reasonable detail the cash amount, goods, services, or other consideration which the Purchaser accepts as compensation; and
 - iii. contain a statement by the Purchaser that the Purchaser waives compensation or accepts the compensation referred to in clause ii above, in either case, in full satisfaction of any delayed closing compensation payable by the Vendor for the period up to the new Firm Closing Date or Delayed Closing Date.

If the Purchaser for his or her own purposes requests a change of the Firm Closing Date or the Delayed Closing Date, then subparagraphs (b)(i), (iii) and (iv) above shall not apply.

- (c) A Vendor is permitted to include a provision in the Purchase Agreement allowing the Vendor a one-time unilateral right to extend a Firm Closing Date or Delayed Closing Date, as the case may be, for one (1) Business Day to avoid the necessity of tender where a Purchaser is not ready to complete the transaction on the Firm Closing Date or Delayed Closing Date, as the case may be. Delayed closing compensation will not be payable for such period and the Vendor may not impose any penalty or interest charge upon the Purchaser with respect to such extension.
- (d) The Vendor and Purchaser may agree in the Purchase Agreement to any unilateral extension or acceleration rights that are for the benefit of the Purchaser.

5. Extending Dates – Due to Unavoidable Delay

- (a) If Unavoidable Delay occurs, the Vendor may extend Critical Dates by no more than the length of the Unavoidable Delay Period, without the approval of the Purchaser and without the requirement to pay delayed closing compensation in connection with the Unavoidable Delay, provided the requirements of this section are met.
- (b) If the Vendor wishes to extend Critical Dates on account of Unavoidable Delay, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, and an estimate of the duration of the delay. Once the Vendor knows or ought reasonably to know that an Unavoidable Delay has commenced, the Vendor shall provide written notice to the Purchaser by the earlier of: 20 days thereafter; and the next Critical Date.
- (c) As soon as reasonably possible, and no later than 20 days after the Vendor knows or ought reasonably to know that an Unavoidable Delay has concluded, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, identifying the date of its conclusion, and setting new Critical Dates. The new Critical Dates are calculated by adding to the then next Critical Date the number of days of the Unavoidable Delay Period (the other Critical Dates changing accordingly), provided that the Firm Closing Date or Delayed Closing Date, as the case may be, must be at least 10 days after the day of giving notice unless the parties agree otherwise. Either the Vendor or the Purchaser may request in writing an earlier Firm Closing Date or Delayed Closing Date, and the other party's consent to the earlier date shall not be unreasonably withheld.
- (d) If the Vendor fails to give written notice of the conclusion of the Unavoidable Delay in the manner required by paragraph (c) above, then the notice is ineffective, the existing Critical Dates are unchanged, and any delayed closing compensation payable under section 7 is payable from the existing Firm Closing Date.
- (e) Any notice setting new Critical Dates given by the Vendor under this section shall include an updated revised Statement of Critical Dates.

EARLY TERMINATION CONDITIONS

6. Early Termination Conditions

- (a) The Vendor and Purchaser may include conditions in the Purchase Agreement that, if not satisfied, give rise to early termination of the Purchase Agreement, but only in the limited way described in this section.
- (b) The Vendor is not permitted to include any conditions in the Purchase Agreement other than: the types of Early Termination Conditions listed in Schedule A; and/or the conditions referred to in paragraphs (j), (k) and (l) below. Any other condition included in a Purchase Agreement for the benefit of the Vendor that is not expressly permitted under Schedule A or paragraphs (j), (k) and (l) below is deemed null and void and is not enforceable by the Vendor, but does not affect the validity of the balance of the Purchase Agreement.
- (c) The Vendor confirms that this Purchase Agreement is subject to Early Termination Conditions that, if not satisfied (or waived, if applicable), may result in the termination of the Purchase Agreement. Yes No
- (d) If the answer in (c) above is "Yes", then the Early Termination Conditions are as follows. The obligation of each of the Purchaser and Vendor to complete this purchase and sale transaction is subject to satisfaction (or waiver, if applicable) of the following conditions and any such conditions set out in an appendix headed "Early Termination Conditions":

**Freehold Form
(Tentative Closing Date)**

Condition #1 (if applicable)

Description of the Early Termination Condition:

The Approving Authority (as that term is defined in Schedule A) is: _____

The date by which Condition #1 is to be satisfied is the _____ day of _____, 20 _____.

Condition #2 (if applicable)

Description of the Early Termination Condition:

The Approving Authority (as that term is defined in Schedule A) is: _____

The date by which Condition #2 is to be satisfied is the _____ day of _____, 20 _____.

The date for satisfaction of any Early Termination Condition may be changed by mutual agreement provided in all cases it is set at least 90 days before the First Tentative Closing Date, and will be deemed to be 90 days before the First Tentative Closing Date if no date is specified or if the date specified is later than 90 days before the First Tentative Closing Date. This time limitation does not apply to the condition in subparagraph 1(b)(iv) of Schedule A which must be satisfied or waived by the Vendor within 60 days following the later of: (A) the signing of the Purchase Agreement; and (B) the satisfaction or waiver by the Purchaser of a Purchaser financing condition permitted under paragraph (l) below.

Note: The parties must add additional pages as an appendix to this Addendum if there are additional Early Termination Conditions.

- (e) There are no Early Termination Conditions applicable to this Purchase Agreement other than those identified in subparagraph (d) above and any appendix listing additional Early Termination Conditions.
- (f) The Vendor agrees to take all commercially reasonable steps within its power to satisfy the Early Termination Conditions identified in subparagraph (d) above.
- (g) For conditions under paragraph 1(a) of Schedule A the following applies:
 - (i) conditions in paragraph 1(a) of Schedule A may not be waived by either party;
 - (ii) the Vendor shall provide written notice not later than five (5) Business Days after the date specified for satisfaction of a condition that: (A) the condition has been satisfied; or (B) the condition has not been satisfied (together with reasonable details and backup materials) and that as a result the Purchase Agreement is terminated; and
 - (iii) if notice is not provided as required by subparagraph (ii) above then the condition is deemed not satisfied and the Purchase Agreement is terminated.
- (h) For conditions under paragraph 1(b) of Schedule A the following applies:
 - (i) conditions in paragraph 1(b) of Schedule A may be waived by the Vendor;
 - (ii) the Vendor shall provide written notice on or before the date specified for satisfaction of the condition that: (A) the condition has been satisfied or waived; or (B) the condition has not been satisfied nor waived, and that as a result the Purchase Agreement is terminated; and
 - (iii) if notice is not provided as required by subparagraph (ii) above then the condition is deemed satisfied or waived and the Purchase Agreement will continue to be binding on both parties.
- (i) If a Purchase Agreement or proposed Purchase Agreement contains Early Termination Conditions, the Purchaser has three (3) Business Days after the day of receipt of a true and complete copy of the Purchase Agreement or proposed Purchase Agreement to review the nature of the conditions (preferably with legal counsel). If the Purchaser is not satisfied, in the Purchaser's sole discretion, with the Early Termination Conditions, the Purchaser may revoke the Purchaser's offer as set out in the proposed Purchase Agreement, or terminate the Purchase Agreement, as the case may be, by giving written notice to the Vendor within those three Business Days.
- (j) The Purchase Agreement may be conditional until Closing (transfer to the Purchaser of title to the home), upon compliance with the subdivision control provisions (section 50) of the *Planning Act*, which compliance shall be obtained by the Vendor at its sole expense, on or before Closing.
- (k) The Purchaser is cautioned that there may be other conditions in the Purchase Agreement that allow the Vendor to terminate the Purchase Agreement due to the fault of the Purchaser.
- (l) The Purchase Agreement may include any condition that is for the sole benefit of the Purchaser and that is agreed to by the Vendor (e.g., the sale of an existing dwelling, Purchaser financing or a basement walkout). The Purchase Agreement may specify that the Purchaser has a right to terminate the Purchase Agreement if any such condition is not met, and may set out the terms on which termination by the Purchaser may be effected.

MAKING A COMPENSATION CLAIM

7. Delayed Closing Compensation

- (a) The Vendor warrants to the Purchaser that, if Closing is delayed beyond the Firm Closing Date (other than by mutual agreement or as a result of Unavoidable Delay as permitted under sections 4 and 5), then the Vendor shall compensate the Purchaser up to a total amount of \$7,500, which amount includes: (i) payment to the Purchaser of a set amount of \$150 a day for living expenses for each day of delay until the date of Closing; or the date of termination of the Purchase Agreement, as applicable under paragraph (b) below; and (ii) any other expenses (supported by receipts) incurred by the Purchaser due to the delay.
- (b) Delayed closing compensation is payable only if: (i) Closing occurs; or (ii) the Purchase Agreement is terminated or deemed to have been terminated under paragraph 10(b) of this Addendum. Delayed closing compensation is payable only if the Purchaser's claim is made to Tarion in writing within one (1) year after Closing, or after termination of the Purchase Agreement, as the case may be, and otherwise in accordance with this Addendum. Compensation claims are subject to any further conditions set out in the ONHWP Act.
- (c) If the Vendor gives written notice of a Delayed Closing Date to the Purchaser less than 10 days before the Firm Closing Date, contrary to the requirements of paragraph 3(c), then delayed closing compensation is payable from the date that is 10 days before the Firm Closing Date.
- (d) Living expenses are direct living costs such as for accommodation and meals. Receipts are not required in support of a claim for living expenses, as a set daily amount of \$150 per day is payable. The Purchaser must provide receipts in support of any claim for other delayed closing compensation, such as for moving and storage costs. Submission of false receipts disentitles the Purchaser to any delayed closing compensation in connection with a claim.
- (e) If delayed closing compensation is payable, the Purchaser may make a claim to the Vendor for that compensation after Closing or after termination of the Purchase Agreement, as the case may be, and shall include all receipts (apart from living expenses) which evidence any part of the Purchaser's claim. The Vendor shall assess the Purchaser's claim by determining the amount of delayed closing compensation payable based on the rules set out in section 7 and the receipts provided by the Purchaser, and the Vendor shall promptly provide that assessment information to the Purchaser. The Purchaser and the Vendor shall use reasonable efforts to settle the claim and when the claim is settled, the Vendor shall prepare an acknowledgement signed by both parties which:
 - (i) includes the Vendor's assessment of the delayed closing compensation payable;
 - (ii) describes in reasonable detail the cash amount, goods, services, or other consideration which the Purchaser accepts as compensation (the "Compensation"), if any; and
 - (iii) contains a statement by the Purchaser that the Purchaser accepts the Compensation in full satisfaction of any delay compensation payable by the Vendor.
- (f) If the Vendor and Purchaser cannot agree as contemplated in paragraph 7(e), then to make a claim to Tarion the Purchaser must file a claim with Tarion in writing within one (1) year after Closing. A claim may also be made and the same rules apply if the sale transaction is terminated under paragraph 10(b), in which case, the deadline for a claim is one (1) year after termination.

8. Adjustments to Purchase Price

Only the items set out in Schedule B (or an amendment to Schedule B), shall be the subject of adjustment or change to the purchase price or the balance due on Closing. The Vendor agrees that it shall not charge as an adjustment or readjustment to the purchase price of the home, any reimbursement for a sum paid or payable by the Vendor to a third party unless the sum is ultimately paid to the third party either before or after Closing. If the Vendor charges an amount in contravention of the preceding sentence, the Vendor shall forthwith readjust with the Purchaser. This section shall not: restrict or prohibit payments for items disclosed in Part I of Schedule B which have a fixed fee; nor shall it restrict or prohibit the parties from agreeing on how to allocate as between them, any rebates, refunds or incentives provided by the federal government, a provincial or municipal government or an agency of any such government, before or after Closing.

MISCELLANEOUS

9. Ontario Building Code – Conditions of Closing

- (a) On or before Closing, the Vendor shall deliver to the Purchaser:
 - (i) an Occupancy Permit (as defined in paragraph (d)) for the home; or
 - (ii) if an Occupancy Permit is not required under the Building Code, a signed written confirmation by the Vendor that all conditions of occupancy under the Building Code have been fulfilled and occupancy is permitted under the Building Code.
- (b) Notwithstanding the requirements of paragraph (a), to the extent that the Purchaser and the Vendor agree that the Purchaser shall be responsible for one or more prerequisites to obtaining permission for occupancy under the Building Code, (the "Purchaser Occupancy Obligations"):

Freehold Form (Tentative Closing Date)

- (i) the Purchaser shall not be entitled to delayed closing compensation if the reason for the delay is that the Purchaser Occupancy Obligations have not been completed;
 - (ii) the Vendor shall deliver to the Purchaser, upon fulfilling all prerequisites to obtaining permission for occupancy under the Building Code (other than the Purchaser Occupancy Obligations), a signed written confirmation that the Vendor has fulfilled such prerequisites; and
 - (iii) if the Purchaser and Vendor have agreed that such prerequisites (other than the Purchaser Occupancy Obligations) are to be fulfilled prior to Closing, then the Vendor shall provide the signed written confirmation required by subparagraph (ii) on or before the date of Closing.
- (c) If the Vendor cannot satisfy the requirements of paragraph (a) or subparagraph (b)(ii), the Vendor shall set a Delayed Closing Date (or new Delayed Closing Date) on a date that the Vendor reasonably expects to have satisfied the requirements of paragraph (a) or subparagraph (b)(ii), as the case may be. In setting the Delayed Closing Date (or new Delayed Closing Date), the Vendor shall comply with the requirements of section 3, and delayed closing compensation shall be payable in accordance with section 7. Despite the foregoing, delayed closing compensation shall not be payable for a delay under this paragraph (c) if the inability to satisfy the requirements of subparagraph (b)(ii) above is because the Purchaser has failed to satisfy the Purchaser Occupancy Obligations.
- (d) For the purposes of this section, an "Occupancy Permit" means any written or electronic document, however styled, whether final, provisional or temporary, provided by the chief building official (as defined in the *Building Code Act*) or a person designated by the chief building official, that evidences that permission to occupy the home under the Building Code has been granted.

If the Purchaser does not provide written notice of termination within such 30-day period then the Purchase Agreement shall continue to be binding on both parties and the Delayed Closing Date shall be the date set under paragraph 3(c), regardless of whether such date is beyond the Outside Closing Date.

The Purchaser cannot be compelled by the Vendor to execute a release of the Vendor as a prerequisite to obtaining the refund of monies payable as a result of termination of the Purchase Agreement under this paragraph, although the Purchaser may be required to sign a written acknowledgement confirming the amount of monies refunded and termination of the purchase transaction. Nothing in this Addendum prevents the Vendor and Purchaser from entering into such other termination agreement and/or release as may be agreed to by the parties.

- (b) The Purchaser will not alter the grading of the Property contrary to the municipally approved drainage pattern, and provided that lot grading has been completed in accordance with the municipally approved drainage and/or grading control plan, the Purchaser is estopped both from objecting thereto and from requiring any amendments thereto. If the Vendor has not undertaken to pave or finish the driveway pursuant to this Agreement, the Purchaser shall not pave or finish the driveway without the prior written consent of the Vendor and the prior written consent of the Subdivider and the Municipality, if required by a subdivision agreement or any other development, site plan, municipal agreement, or similar agreements with respect to the Subdivision Agreement and/or the Property (the "**Development Agreements**"). Following such approval and prior to completing the driveway, the Purchaser shall notify the Vendor in writing so that water keys/boxes can be located and raised, if necessary. The Purchaser covenants and agrees not to damage or alter any subdivision service, and shall be liable for the cost of rectification of any such damage or alteration, and in the event same is not paid upon demand, the Vendor shall have the right to register a lien on title to secure such payment. The Purchaser agrees that neither the Purchaser(s) nor their successors or assigns shall construct or install a swimming pool, hot tub, underground sprinkler system, fencing, decking, curbs, retaining walls, landscape rocks, trees, shrubs, gazebos or other structures, nor shall the Purchaser alter or widen the driveway upon the Property until after the event of municipal assumption of subdivision services, and after the Purchaser has made due application for (if applicable) any permits required for such work to the Municipality or any other authority with jurisdiction. The Purchaser agrees to remove such additions and/or improvements at its own cost upon the Vendor's request, failing which the Vendor may remove same at the Purchaser's expense. Any changes to the grading in contravention of the foregoing by the Purchaser shall result in the forfeiture of the Security Deposit and the Purchaser reimbursing the Vendor for any costs over and above the Security Deposit resulting from the Purchaser's contravention of the foregoing.
- (c) The Purchaser and/or the Purchaser's designate does hereby agree that at the time of the PDI or such other time as may be set by the Vendor, the Purchaser and/or the Purchaser's designate will attend at the Property and upon such request, the Purchaser and/or the Purchaser's designate and Vendor mutually agree that they will attend at the Property to inspect with the Vendor, from time to time, the services installed by the Vendor or others and to compile a list of all existing damages or defects to the Subdivision services, including buried or damaged water boxes and keys, damaged curbs or sidewalks, retaining walls, acoustic barriers, fences and other such applicable services. Such compiled list shall be signed by the Vendor and the Purchaser and/or the Purchaser's designate. The Vendor's consulting engineer for this Subdivision shall be the authority for the development of the Subdivision as a whole and will determine responsibility and damages and costs therefore and in the event that the Vendor's consulting engineer determines the responsibility for the cost of repair, rectification and/or replacement is that of the Purchaser, then the Vendor will charge the Purchaser accordingly for such costs of repair, rectification and/or replacement.
- (d) The Purchaser acknowledges that construction of the Dwelling may be subject to the requirements of the architect appointed by the Subdivider and/or the Vendor (collectively the "**Subdivider's Architect**") and the Purchaser agrees to accept the Property subject to any changes, variations or restrictions now or hereafter imposed by the Subdivider or Subdivider's Architect.
- (e) The Purchaser acknowledges that the dimensions, specifications, layouts and sizes of the Property and that the exterior design of the Dwelling set out in this Agreement or on any schedule attached hereto or shown on any drawings, brochures, renderings or plans made available to the Purchaser on site or otherwise are approximate only and subject to change without notice. In the event the dimensions, specifications, layouts and sizes (including without limitation the exterior design of the Dwelling and/or the frontage, depth or area of the Property are varied from those specified in the Agreement, or on any schedule attached hereto or shown on drawings, brochures, renderings or plans made available to the Purchaser on site or otherwise, as aforesaid, or any or all of the foregoing and provided the Property complies with municipal and other governmental requirements including zoning by-laws, the Purchaser agrees to accept all such variations without claim for abatement in the Purchase Price and this Agreement shall be read with all amendments required thereby. In addition to the foregoing, if minor variations to the size of the Dwelling including internal dimensions of any areas are made to the Dwelling the Purchaser shall accept such minor variations without any abatement to the Purchase Price. The Purchaser acknowledges that the Dwelling is a model type, and may not match the floor plans and elevations specified in the Agreement, or on any schedule attached hereto or shown on drawings, brochures, renderings or plans made available to the Purchaser on site or otherwise. In addition to and notwithstanding anything herein, the following alterations and adjustments may be made by the Vendor to the lot and model type selected by the Purchaser for any reason, and shall be deemed for all purposes to be minor or adjustable, and the Purchaser shall accept the dwelling constructed on the Property with any or all of the following changes without compensation: (a) a change in the front elevation of the Property that results in an increase or decrease in the number of steps to the front door and any change to the grading which affects or alters the steps and entry to the dwelling from the front door to the lot line of the Property; (b) the deletion or addition or relocation of any and all entry doors to the garage; (c) the relocation or the raising or lowering of the elevation of any other entry doors into the dwelling or the elevation of the laundry area; (d) the addition or deletion of steps into any and all of the rear yard, the side yard and the garage; (e) the installation of a threshold dividing rooms or living areas required by differences in surface elevations or floor materials; (f) the substitution of a door for a patio door, or a patio door for a door, (g) the substitution of a door or patio door for a window, or a window for a door or patio door; (h) the construction of the dwelling reversed to the layout shown on the model floor plans; (i) any other substitution by the Vendor permitted under this Agreement; or changes in the location in the basement of the furnace, the water tank, or other services; (k) a reduction in the area of the dwelling within the tolerances permitted by the Taron requirements; (l) any changes imposed by the Municipality or the architectural control architect, either before or after approval of the plans by either or both; (m) any other change that does not reduce the market value of the property as of the Closing Date; and/or (n) any other change that the Vendor's architect and/or technologist in his unfettered discretion considers minor, and the statutory declaration of the architect and/or technologist or his employee in charge of the Subdivision and/or Project shall be deemed to be conclusive and binding on the Purchaser. If the Vendor makes any other change that is not deemed minor or adjustable without compensation, the Purchaser's sale remedy shall be to complete the Closing and make a claim for compensation, measured by the reduction to the market value of the Property as of the Closing Date. **The Purchaser is notified of the following statement pursuant to the requirements of the applicable Home Construction Regulatory Authority Directive: "Note: Actual usable floor space may vary from the stated floor area".**
- (f) All exterior elevations and colours are architecturally controlled and approved. No changes whatsoever will be permitted to the aforementioned prior to assumption of the Subdivision by the Municipality, and the Purchaser hereby acknowledges notice of same and agrees to accept the exterior elevation and colour scheme as architecturally controlled and approved. Any changes to the aforementioned by the Purchaser shall result in the forfeiture of the Security Deposit and the Purchaser shall reimburse the Vendor for any costs over and above said deposits resulting from the aforementioned Purchaser's changes.
- (g) The Purchaser acknowledges and agrees that in the event the Dwelling being purchased herein is a semi-detached or townhouse dwelling unit, the lot or block upon which such dwelling unit is constructed will not necessarily be divided equally but may instead be divided in unequal proportions. The Purchaser agrees to accept any such unequal division of such lot or block without any abatement of the Purchase Price or claim for compensation whatsoever.
- (h) Subdivision esthetic enhancements such as boulevard treatments, landscaping (including tree planting), entrance features, or corner lot fencing, or fences or retaining walls may be erected/placed/installed within the Subdivision in accordance with municipally approved plans. Such Subdivision esthetic enhancements may not necessarily apply to/benefit all dwellings within the Subdivision. The erection/placement/installation and/or spacing of Subdivision esthetic enhancements such as municipal

trees and/or privacy fencing may be sporadic in accordance with municipally approved plans and the overall design objectives of the Vendor, the Municipality and/or Subdivider. Purchasers who do not receive/benefit from any Subdivision esthetic enhancements such as a municipal tree or privacy fencing are not entitled to any refund/abatement of any sums payable to the Vendor hereunder. In the event this Agreement, any schedule hereto or other matter obligates the Vendor to install or provide any of the features set out herein, such matters will be provided and installed at the times determined by the Vendor and shall not comprise outstanding deficiencies or matters with respect to the completion of the Dwelling, and the Purchaser specifically acknowledges, covenants and agrees that any such features shall be installed at the times determined by the Vendor in its sole and absolute discretion.

3. CONSTRUCTION

- (a) The Vendor will construct (if not already constructed) and complete upon the Property a dwelling (the "Dwelling") of the type hereinbefore indicated in accordance with the plans of the Vendor therefore and filed or to be filed with the Municipality in order to obtain a building permit and the specifications set out in Schedule "SK" annexed hereto. The Dwelling shall be deemed to be completed for the purposes of Closing when the requirements of the Tarion Addendum and Statement of Critical Dates have been met and the Purchaser agrees in such case to close this transaction without holdback of any part of the Purchase Price, on the Vendor's undertaking given pursuant to section headed "COMPLETION AND ONTARIO NEW HOME WARRANTIES INSPECTION" hereof to complete the Dwelling, and the Purchaser hereby agrees to accept the Vendor's covenant of indemnity regarding lien claims which are the responsibility of the Vendor, its trades and/or suppliers, in full satisfaction of the Purchaser's rights under the Construction Act, and will not claim any lien holdback on the Closing Date. If by reason of "Unavoidable Delay" as defined in or as otherwise permitted by the Tarion Addendum and Statement of Critical Dates the Vendor is required to extend Closing, the Vendor shall be entitled to extend the Closing provided the Vendor complies with the provisions of the Tarion Addendum and Statement of Critical Dates in respect of such extensions. The Dwelling shall be deemed to be completed when all interior work has been substantially completed as determined by the Vendor and provided that the provisions of paragraph 9 of the Tarion Addendum and Statement of Critical Dates attached hereto have been complied with. The Purchaser agrees to complete this transaction notwithstanding any claims submitted to the Vendor and/or Tarion or otherwise in respect of apparent deficiencies or incomplete work.
- (b) Acceptance of construction, siting and grading by the Municipality shall conclusively constitute acceptance by the Purchaser. The Vendor shall have the right to substitute materials for those designated in the plans and/or specifications provided the quality is equal or better, and also to make minor changes in plans, siting and specifications, provided there is no objection from the Municipality.
- (c) The Purchaser acknowledges and agrees that architectural control of external elevations, driveway construction and location, boulevard tree planting, landscaping, acoustical barriers, corner lot fencing (including the location of such acoustical barriers and corner lot fencing), exterior colour schemes, corner lot and rear lot treatments, or any other matter external to the Dwelling designed to enhance the esthetics of the community as a whole, may be imposed by the Municipality and/or the Vendor/Subdivider. In the event the Vendor is required, in compliance with such architectural control requirements, to construct an external elevation for this Dwelling other than as specified in this Agreement, or amend the driveway construction, boulevard tree planting or landscaping plan for this Dwelling (all of which is hereinafter referred to as the "Amended Elevation"), the Purchaser hereby irrevocably authorizes the Vendor to complete the Dwelling herein including the required Amended Elevation, and the Purchaser hereby irrevocably agrees to accept such Amended Elevation in lieu of the elevation specified in this Agreement. The Vendor shall have the right, in its sole discretion, to construct the hereinbefore described Dwelling either as shown on the sales brochures, renderings and other plans and specifications approved by the Municipality or any other authority having jurisdiction over same, or, to construct such Dwelling on a reverse mirror image plan, including reversal of garage siting and reversal of interior floor plan layout. Construction of a reverse mirror image Dwelling plan is hereby irrevocably accepted by the Purchaser without any right of abatement of Purchase Price and in full satisfaction of the Vendor's obligations as to construction of the Dwelling type hereinbefore described. Further, in the event the Vendor determines, at its sole discretion, to construct the Dwelling at a grade level different than as depicted in the plans or drawings attached hereto, sales brochures, renderings or any other plans and specifications whether or not approved by the Municipality or any other authority having jurisdiction over same, necessitating a step, landing or series of steps to the front door, side door, rear door, or any door from the garage that is connected to the Dwelling and leading to the interior of the Dwelling (notwithstanding that such step, landing or series of steps may encroach into the garage parking area and/or affect the interior floor area of the dwelling adjacent to such step, landing or series of steps) or to relocate and/or remove any side door, rear door or door from the garage to the interior of the Dwelling, the Purchaser hereby irrevocably agrees to accept such changes without any right of abatement of Purchase Price and in full satisfaction of the Vendor's obligation as to construction of the Dwelling type hereinbefore described.
- (d) The Purchaser hereby acknowledges that complete engineering data in respect of the Municipally approved final grading of the Property may not, as yet, be complete and accordingly, it may not be possible to construct a Dwelling with a walk-out basement, look-out or rear deck where so indicated in this Agreement, or vice versa. In the event this Agreement calls for a walk-out basement, look-out or rear deck and such is not possible or reasonable in the Vendor's opinion or in the event this Agreement does not call for a walk-out basement, look-out or rear deck and such is required, pursuant to final approved grading and engineering plans, the Purchaser shall accept a credit in the Purchase Price, or, pay the additional cost involved in constructing such walk-out basement, look-out or rear deck, as the case may be (such costs shall be absolutely determined by the Vendor).
- (e) The Purchaser acknowledges that certain lots within the subdivision may, at the Vendor's sole, absolute and unfettered discretion, require catch basins in the rear or front yard and associated leads, drainage systems, weeping pipe/sump pump systems, retaining walls, fencing, landscaping, sidewalks and other subdivision enhancement features, and the Purchaser covenants and agrees that in the event the Property contains any of the foregoing items, on/after the Closing Date, the Purchaser shall maintain all such items in proper working condition. Additionally, the Purchaser is advised that electricity transformers, super mailbox, telecommunication pedestals, street light poles and hydrants may front onto or be located within certain lots (including the Property) within the Subdivision. The Purchaser agrees to accept the Property subject to any catch basins and associated leads, drainage systems, weeping pipe/sump pump systems, retaining walls, fencing, landscaping, sidewalks and other subdivision enhancement features, and that electricity transformers, super mailbox, telecommunication pedestals, street light poles and hydrants required pursuant to the municipally approved plans, and the Purchaser shall not be entitled to any abatement or reduction of the Purchase Price whatsoever as a consequence of the foregoing nor shall the Purchaser have any claim or cause of action whatsoever against the Vendor its sales representatives (whether based on founded contract, tort or in equity) with regard to/pertaining to/arising from the foregoing, and the Purchaser covenants and agrees to maintain all foregoing items in proper working order in the event the Property contains such items.
- (f) In the event the Purchaser completes this transaction and occupies the Dwelling at a time prior to the Vendor and/or Subdivider completing all of their work or construction within the Subdivision, the Purchaser covenants and agrees to permit the Vendor and/or the Subdivider and their agents and subtrades to enter upon the Property for the purposes of completing work on the Property, an adjoining property or other properties in the Subdivision and the Purchaser shall not interfere with any work or construction being so performed by the Vendor, the Subdivider and their agents and subtrades. The Purchaser agrees that this covenant may be pleaded by the Vendor as an estoppel to any action or opposition by the Purchaser.
- (g) The Purchaser covenants and agrees that the Purchaser shall pay to the Vendor for all extras, upgrades or changes ordered by the Purchaser in accordance with the terms of any documents/agreements pertaining to the purchase of said extras, upgrades or changes and the Purchaser further acknowledges and agrees that such payment is non-refundable in the event that this transaction is not completed as a result of any default hereunder of the Purchaser. Until such payment is made by the Purchaser in full, the Vendor will not commence the installation of any such extras, upgrades or changes ordered. Payment for extras, upgrades or changes ordered by the Purchaser may be required prior to the Vendor's confirmation of the cost of such extras, upgrades or changes. The price and/or cost of such extras, upgrades or changes is not included in the Purchase

Price. Any and all payments that the Purchaser makes towards the price and/or cost of such extras, upgrades or changes shall be treated as a further deposit and not as partial payment of the price and/or cost of such extras, upgrades or changes or partial payment of the Purchase Price. Notwithstanding anything herein contained to the contrary, the Purchaser acknowledges and agrees that if, upon Closing, any of the extras, upgrades or changes ordered by the Purchaser remain incomplete in whole or in part or if the Vendor shall, in its sole discretion, determine that it will not provide extras, upgrades or changes or cannot complete the extras, upgrades or changes then there shall be refunded or credited to the Purchaser that portion of the amount paid by the Purchaser in connection with such extras, upgrades or changes allocated to those extras, upgrades or changes which remain incomplete in whole or in part as aforesaid, as determined by the Vendor. The Purchaser further acknowledges and agrees that the amount so paid to the Purchaser (or for which, in the alternative, in the Vendor's discretion, the Purchaser received credit in the Statement of Adjustments) shall be accepted by the Purchaser as full and final settlement of any claim by the Purchaser with respect to the extras, upgrades or changes which remain incomplete as aforesaid. The Purchaser further acknowledges that the Vendor's liability with respect to such incomplete extras, upgrades or changes shall be limited to the return of the amounts referred to aforesaid and, thereafter, there shall be no further liability upon the Vendor in connection with such incomplete extras, upgrades or changes and upon such payment being made or credit being given, the Vendor shall be released from any and all obligation, claims or demands whatsoever with respect to such incomplete extras, upgrades or changes. In the event the Purchaser neglects to advise the Vendor forthwith upon request as to the Purchaser's selection of finishing specifications, or orders any extras, upgrades in interior finishings, or performs any work in or about the Dwelling which causes delay in the Vendor's construction operations, the Vendor may require the Purchaser to complete this transaction on the Closing Date herein set out without holdback of any part of the Purchase Price, on the Vendor's undertaking to complete any of the Vendor's outstanding work.

- (h) The Vendor is not responsible for shade difference occurring in the manufacture of items such as, but not limited to, finishing materials or products such as carpet, floor tiles, roof shingles, brick, cement board, aluminum or vinyl siding, bath tubs, water closets, sinks, stone, stucco and other such products where the product manufacturer establishes the standard for such finishes. The Vendor is also not responsible for colour variations or variations in material characteristics or features such as veining, grain or grain direction, knotting etc. in natural products or the finishes on natural products such as but not limited to marble, granite, hardwood flooring, kitchen cabinets, wood stair railings, steps, spindles, trim, nosings, thresholds as well as stains or finishes applied to any of the aforesaid which colours may vary when finishes are applied to them. Nor shall the Vendor be responsible for shade difference in colour of components manufactured from different materials but which components are designed to be assembled into either one product or installed in conjunction with another product such as but not limited to toilet seats, toilets, bathtubs, cabinet finishes and paint and in these circumstances the product as manufactured shall be accepted by the Purchaser. Purchaser acknowledges and agrees that (i) carpeting may be seamed in certain circumstances and said seams may be visible; (ii) hardwood, laminate or other flooring materials may react to normal fluctuating humidity levels contributing to gapping or cupping, and (iii) there may be different levels of flooring which may require transition strips, nosings or thresholds, and the Purchaser agrees that in any of the foregoing eventualities are considered to be acceptable by industry standards and the Purchaser shall make no claim whatsoever against the Vendor in the event of same.
- (i) All dimensions and specifications on sales brochures and other sales aides are artists' concepts only and are approximate and subject to modification without prior notice at the sole discretion of the Vendor in compliance with the Ontario Building Code. The designation of door swings, including entrance doors and doors from the garage to the interior of the Dwelling, if any, in any schedules attached hereto or sales brochures and other sales aides are conceptual only and are subject to modification without prior notice at the sole discretion of the Vendor. The Purchaser acknowledges and agrees that attic hatches or access points may be located within any location determined by the Vendor in its sole discretion, including without limitation, within any hallway, room, closet or interior wall. In the case of the purchase of a townhome by the Purchaser (if applicable) the Purchaser acknowledges that: the concept plans displayed in the sales office and/or in promotional brochures or media (including any websites), do not necessarily represent any specific block to be built by the Vendor; the Vendor has not artistically rendered all block scenarios and combinations of model types available; final block plans will feature similar but not necessarily identical architectural details; variances from block to block will reflect, amongst other things, the number of lots in respective blocks, final siting combinations of actual model types within respective blocks, roof designs that evolve in conjunction with the combination of various model types constituting specific blocks, unit stepping due to grading within respective blocks and the location of required partywalls and firewalls (if applicable) per respective block plan. The location of mechanical installations, structural posts and beams may not be as shown (or not shown, as the case may be) on sales documentation and will be located in accordance with approved plans and/or good construction practice and may result in room size or garage size reduction caused by the mechanicals being installed. The Purchaser hereby accepts and agrees that any location(s) of utility meter(s) detailed in any brochures, marketing materials, sales aides or Schedules included in this Agreement of Purchase and Sale are artist's concepts only and the final location(s) of such utility meter(s) are subject to change or modification at the sole discretion of the Vendor or applicable utility service provider or utility meter supplier and without notice to the Purchaser. The Purchaser acknowledges being advised by the Vendor that the Vendor has experienced a high rate of theft of air-conditioning units when they are installed prior to the Closing Date. Accordingly, the Purchaser acknowledges that if the Agreement herein calls for the Vendor to install an air-conditioning unit, the Vendor has the right to install that unit, in accordance with the Agreement, within thirty (30) days after the Closing, weather permitting. The Purchaser shall not be entitled to any holdback on account of the Purchase Price notwithstanding that the air-conditioning unit is not installed at the Closing Date.
- (j) Where any portion of any fence is within fifteen (15) centimetres of the Property line, such fence shall be deemed not to be an encroachment at that point (the "Permitted Encroachment") and the Purchaser agrees to accept title to the Property and to complete the sale contemplated herein, without abatement of the Purchase Price. If any portion of any fence is not deemed to be a Permitted Encroachment (an "Unpermitted Encroachment") then the Purchaser shall complete the transaction herein either upon the Vendor's undertaking to take all reasonable lawful steps to remove the Unpermitted Encroachment; or, at the Vendor's sole option, upon an abatement in the Purchase Price, such abatement to be calculated by multiplying the Purchase Price by the ratio of the area of the Unpermitted Encroachment to the total area of the Property. Despite anything hereinbefore set out, the whole of any fence erected by any governmental authority, utility or railway or pursuant to any Development Agreements shall be deemed to be a Permitted Encroachment and the Purchaser agrees to maintain all such fencing to the satisfaction of the appropriate authority.
- (k) Where a dwelling type has a sunken foyer, landing or hallway leading to a front and/or rear porch (at the front and/or rear door entry), the ceiling area below the porch slab and other relevant areas will be reduced and this height may vary up or down, caused by the number of risers from the main floor to the dropped landing, as per applicable plan. Notwithstanding that the sales aids, such as brochure plans or sketches may refer to these areas as cold rooms, storage areas, cantinas or fruit cellars, they shall be treated and referred to as crawl space, notwithstanding that the Purchaser may be desirous of using this space for other purposes. The Purchaser hereby acknowledges these facts and accepts the Dwelling as built and will make no claims whatsoever relevant thereto. Furthermore, any reference to ceiling heights in this Agreement, the schedules attached hereto or in sales material, if any, shall mean the approximate height and such heights will be reduced by sound attenuation features, finishes of floors and ceilings and installations such as bulkheads, etc. Ceiling and walls may be modified to accommodate mechanical systems.
- (l) In the event that the Dwelling includes stucco or siding materials (such as hardie board, MAC metal or crezon board) to be installed on the exterior of the Dwelling, the Purchaser acknowledges that there may be a variance or unevenness in accordance with the Tarion standards, which the Purchaser agrees to accept, without objection or claim for compensation. In the event that the Dwelling includes stucco or siding materials (such as hardie board, MAC metal or crezon board) to be installed on the exterior of the Dwelling, the Purchaser acknowledges that there may be variance in the colour of such stucco or siding materials (such as hardie board, MAC metal or crezon board) and that the Vendor shall choose, in its sole, absolute and unfettered discretion, the texture of such stucco or siding materials (such as hardie board, MAC metal, or crezon board), and the Purchaser agrees to accept same without objection or claim for compensation.

- (m) The Purchaser acknowledges and agrees that drainage holes may be required, as determined and where required by the Vendor, on all or any of the exterior finishing and/or cladding of the Dwelling.
- (n) The Purchaser covenants and agrees that the Purchaser will exhaust all the remedies available to him with Tarion with respect to any claim relating to defects in workmanship or materials or with respect to any other claim arising under the Warranty Act or in respect of the Statement of Critical Dates and Addendum to Agreement of Purchase and Sale annexed hereto, prior to pursuing any other means of redress with regard to such claims. In the event the Purchaser does not comply with the provisions of this subsection, or takes any unwarranted or unreasonable actions with respect to such claims, the Purchaser shall be held liable for any damages or costs (legal or otherwise) sustained by the Vendor as a result thereof.
- (o) The Purchaser acknowledges that due to the nature and extent of construction work which will be required to be undertaken by the Vendor on the Property in connection with the excavation, erection, and construction of the Dwelling, one or more trees may be removed from the Property or nearby lands within the Subdivision, such as street and boulevard trees, and others may or will suffer damage or destruction both before and after Closing, as a result of the removal, interference or the destruction of roots, contact with trunks by equipment or machinery or otherwise. The Purchaser hereby acknowledges, covenants, and agrees that the Vendor shall not be responsible or liable in any manner, whatsoever, for any loss or destruction to trees or for any loss or destruction to the property of the Purchaser howsoever caused nor shall the Vendor be responsible or liable for the removal of any trees or parts thereof, from the Property, at any time, whatsoever. It is understood and agreed that the Vendor has made no representation, warranty, guarantee, collateral agreement or condition whatsoever, regarding the preservation, removal, condition or health of trees on the Property.
- (p) Notwithstanding anything contained in this Agreement it is understood and agreed by the parties hereto that in the event that the Vendor cannot complete the herein transaction on the Closing Date other than as a result of the Purchaser's default, the Vendor shall not be responsible or liable to the Purchaser in any way for any damages or costs whatsoever including without limitation loss of bargain, relocation costs, loss of income, professional fees and disbursements and any amount paid to third parties on account of decoration, construction or fixturing costs, other than the delayed closing compensation set out in the Statement of Critical Dates and Addendum to Agreement of Purchase and Sale.
- (q) The Purchaser covenants and agrees to pay to the Vendor all amounts to correct and remedy all damage caused by the Purchaser or those for whom the Purchaser is in law responsible to any services installed within the Subdivision, which service shall, without limitation, include survey stakes, landscaping, trees, curbs, curb cuts, streets, roads, sidewalks, street signs, street lighting, sanitary and storm sewers and any underground services installed by or on behalf of any public or private utilities. The amounts so paid by the Vendor shall form and constitute a Vendor's Lien or Charge against the Property.
- (r) The Purchaser acknowledges and agrees that the Vendor may insert or add any items, including without limitation, windows, columns, conduits, beams, posts and/or bulkheads within the Dwelling and/or remove, change, delete, vary, alter or modify the number, size and location of any of the foregoing items from the number, size and/or location of same as displayed or illustrated in the sketch of the Dwelling attached hereto this Agreement of Purchase and Sale or any promotional material or information which may include, without limitation, sales brochure(s), model(s), rendering(s), vignette(s) and/or floor plan(s) previously delivered or shown to the Purchaser or to the public (regardless of the extent or impact thereof).
- (s) The Purchaser covenants and agrees that the Purchaser is a "home buyer" within the meaning of the *Construction Act* of Ontario, as may be amended, and the Purchaser shall not be entitled to request or demand that any holdback for construction liens be maintained for any portion of Purchase Price on the Closing Date.

4. RENTAL EQUIPMENT

The Purchaser acknowledges that while it may not currently be the express intention of the Vendor to have any equipment servicing the Property (save and except the hot water heating system and related equipment, which will be rented pursuant to the provisions of Schedule "REN") (the "Equipment") rented to the Purchaser, the Purchaser acknowledges and agrees (i) that certain Equipment may, at the sole, absolute and unfettered discretion of the Vendor, be rented to the Purchaser and the Purchase Price shall not be adjusted to reflect the fact that the Equipment shall remain chattel property, (ii) the Purchaser shall execute such rental documents as may be required by the Vendor, in its sole, absolute and unfettered discretion and such executed documents shall be delivered to the Vendor (or as it may otherwise direct) at such times as the Vendor may require, in its sole, absolute and unfettered discretion; and (iii) the terms of the rental documents may (or may not) contain buy-out options allowing the Purchaser to purchase the Equipment.

If any provider of the Equipment no longer rents the Equipment and if arrangements are not made with another supplier for the installation of the Equipment on a rental basis, then notwithstanding anything to the contrary in this Agreement, the Purchaser shall pay, as an adjustment on closing, the cost of the Equipment, such cost to be determined by statutory declaration sworn on the part of the Vendor.

5. COMPLETION AND ONTARIO NEW HOME WARRANTIES INSPECTION

- (a) The Purchaser or its designate shall inspect the Dwelling, such inspection hereinafter referred to as the Pre-Delivery Inspection (the "PDI") prior to the Closing Date with a representative of the Vendor at a time appointed by the Vendor and the parties shall indicate on the face of the Warranty Act's Certificate of Completion and Possession Form (the "Certificate"), the approval of the Purchaser, which shall be subject only to the completion of seasonal work, and any items uncompleted, and listed thereon (or on an addendum thereto), and save as to such list the Purchaser shall be conclusively deemed to have accepted the Dwelling as complete in accordance with this Agreement. On or before the PDI, the Purchaser shall access and review all materials within the online Learning Hub of Tarion Warranty Corporation ("Tarion"), including, without limitation, any and all modules, brochures and/or other materials. The Vendor will complete all matters set out in the said Certificate as soon as reasonably practicable. Further, the Vendor agrees to rectify any defects in materials or workmanship covered by the Warranty Act's warranty issued to the Purchaser as soon as reasonably practicable after the same will have been called to the Vendor's attention by notice in writing and in accordance with the guidelines of Tarion. Except for the aforementioned inspection with the Vendor's representative, the Purchaser shall not enter (and shall not direct or cause anyone to enter) the Property and the Dwelling until the Purchaser has completed the Purchaser's obligations under this Agreement on the Closing Date. The Purchaser shall provide the Vendor with written notice, at least 5 days prior to the date appointed by the Vendor for the PDI, irrevocably appointing the Purchaser's designate, if any. If the Purchaser appoints a designate to the PDI, the Purchaser acknowledges and agrees that the Purchaser shall be bound by all of the documentation executed by such designate to the same degree and with the force and effect as if executed by the Purchaser directly. Furthermore, the Purchaser acknowledges that the Purchaser shall execute any confirmation or statements if and as required by the Vendor from time to time confirming the Purchaser has reviewed the online Learning Hub.
- (b) The completion of the foregoing inspection and the preparation and endorsement of the Certificate are conditions of the Vendor's obligation to complete this transaction. Failure by the Purchaser to attend at the appointed time for the inspection and to complete the Certificate shall be deemed to be a default by the Purchaser under this Agreement. The Vendor, at its sole option, may thereupon either re-schedule the inspection subject to an administrative fee of \$500.00 plus Applicable Taxes payable to the Vendor, terminate the transaction in accordance with the provisions set out in the paragraph(s) headed "Contract and Default" herein, or may elect to complete the Certificate on behalf of the Purchaser. The Purchaser hereby irrevocably nominates, constitutes and appoints the Vendor or any of its authorized signing officers to be and act as the Purchaser's lawful attorney in the Purchaser's name, place and stead for this purpose.
- (c) The Purchaser agrees to forthwith upon request do all acts and execute and deliver all documents, both before and after Closing, as may be required by the Vendor or the Municipality in connection with the acceptance of the subdivision as a whole by the Municipality.

- (d) Keys will be released to the Purchaser at the construction site or the sales office or from any other location designated by the Vendor, as the Vendor in its sole, absolute discretion determines, unless otherwise specifically agreed in writing between the Vendor and the Purchaser. The Purchaser agrees that the Vendor's advice that keys are available for release to the Purchaser constitutes a valid tender of keys on the Purchaser. Upon completion of this transaction, if the Purchaser fails to attend to pick up the keys by five o'clock (5:00) p.m. on that day, the Vendor may retain the keys and release same to the Purchaser on the next business day (in this Agreement the term "business day" or "business days" shall mean Monday to Friday, excluding statutory holidays in the Province of Ontario).
- (e) Notwithstanding what may otherwise be expressed in this Agreement, the Vendor covenants that on the Closing Date a written warranty in the Warranty Act standard form will be requested by the Vendor from the administrator of the Warranty Act. The Purchaser agrees to accept such warranty in lieu of any other warranty or guarantee, expressed or implied, it being understood and agreed that there is no representation, warranty, guarantee, collateral agreement or condition precedent to, concurrent with, or in any way affecting this Agreement or the Property other than as expressed in the Warranty Act.
- (f) Notwithstanding the foregoing or anything contained in the said warranty, the Purchaser waives any right to any claim against the Vendor for damage to any ceilings or walls due to normal shrinkage and the Purchaser agrees that this Agreement may be pleaded by the Vendor in estoppel of any such claims by the Purchaser.
- (g) The Purchaser hereby releases the Vendor from any liability whatsoever in respect of water damage caused to the Purchaser's improvements, if any, and chattels stored in the Property, and acknowledges and agrees that the Vendor shall not be liable or responsible for any damage to improvements, chattels or décor caused by shrinkage, twisting or warpage, nor for any secondary or consequential damages whatsoever resulting from any defects in materials, design or workmanship related to the Property, nor for any item requiring rectification or completion in respect of which the Purchaser has attempted to complete or rectify on his own, and the Vendor's only obligation shall be to rectify any defects pursuant to the terms of this Agreement. The Purchaser agrees to remove at the Purchaser's expense any finishes and/or improvements made by the Purchaser as requested by the Vendor in order to enable the Vendor to do any completion or rectification work. In addition, if the Purchaser orders the installation of engineered flooring, laminate or a similarly offered product within the kitchen, the Purchaser acknowledges and agrees that product warranties and responsibilities of the Vendor will not extend to: (a) water damage; (b) damage from the installation and/or movement of appliances; and (c) other kitchen related issues arising from such installation.
- (h) The Purchaser acknowledges that the Property will be constructed to at least the minimum Ontario Building Code requirements. The Purchaser covenants and agrees the Purchaser shall have no claims against the Vendor for any higher or better standards of workmanship or materials than what may be expressed herein or in the Warranty Act. The Purchaser hereby covenants and agrees with the Vendor that the Purchaser shall not, directly or indirectly, through any party whatsoever make any claim of any type whatsoever against the Vendor in respect of the Property or any other matter relating to the Property other than a claim pursuant to the Warranty Act. The Purchaser agrees that the foregoing may be pleaded by the Vendor as an estoppel in any action brought by the Purchaser or the Purchaser's successors in title against the Vendor.

6. CONVEYANCE

In the event the Vendor is unable to deliver to the Purchaser on or before Closing a conveyance of the Property free and clear of all encumbrances save as may be provided for in this Agreement, for any reason whatsoever, the Vendor at its option may require the Purchaser to pay the Vendor the balance due on Closing, which shall be deposited with the Vendor's solicitors in trust, with the interest earned to the benefit of the Vendor, and take possession of the Property on the Vendor's undertaking to deliver a conveyance in accordance with the provisions of this Agreement within such period as the Vendor may require and execute the Vendor's Possession Undertaking. From and after the date of possession the Purchaser shall be responsible for realty taxes, water, electricity, gas and other public or private utilities and payment to the Vendor of interest on the unpaid Purchase Price at the same rate of interest that the Purchaser is being charged by the Purchaser's lender as confirmed by the Purchaser providing to the Vendor's solicitor a copy of the Purchaser's mortgage commitment. The parties further agree that upon the Vendor delivering to the Purchaser a conveyance in accordance with the terms of this Agreement, the monies held in trust shall be released to the Vendor and any further adjustments that may be required shall be made at the time of the delivery of the conveyance. The Vendor's solicitor shall undertake to the Purchaser not to release such monies to the Vendor until the Vendor has delivered a conveyance to the Purchaser in accordance with the terms of this Agreement.

7. TITLE

- (a) Provided the title is good and free from all encumbrances except as herein provided, and except as to building and other restrictions, and to any easement or right-of-way granted or to be granted for installation and/or maintenance of services, telecommunication, cable television systems, and all related or appurtenant equipment, mutual driveways, and for maintenance and repair of adjoining dwellings, if applicable. Furthermore, title to the Property may be subject to encroachments by portions of the buildings located on abutting lands, including eaves, eavestroughing, downpipes, or other attachments to the roofs, footings, drainage pipes, utility meters and other projections of the buildings, and the Purchaser further acknowledges that portions of the Dwelling may encroach onto abutting lands where the right to do so exists. The Purchaser accepts legal access to the subject Property even though it may be restricted by 0.3 metre reserves owned by the Municipality and not yet dedicated as public highway. The Purchaser is not to call for the production of any title deeds, abstract or other evidence of title except as are in the possession of the Vendor. The Purchaser is to be allowed 60 days prior to the Closing, to examine the title at the Purchaser's own expense and if, within that time, any valid objection to title is made in writing to the Vendor which the Vendor shall be unable or unwilling to remove and which the Purchaser will not waive this Agreement shall, notwithstanding any intermediate act or negotiations be void and the deposit monies shall be returned, with interest, and the Vendor and the Broker shall not be liable for any damages or costs whatsoever. Save as to any valid objection so made within such time, the Purchaser shall be conclusively deemed to have accepted the title of the Vendor to the Property. The Purchaser acknowledges and agrees that the Vendor shall be entitled to respond to some or all of the requisitions submitted by the Purchaser through the use of a standard title memorandum or title advice statement prepared by the Vendor's solicitors and that the same shall constitute satisfactory manner of responding to the Purchaser's requisitions. Further, the Purchaser agrees that in the event that any valid requisition is not sufficiently answered by the Vendor, then the requisition shall be deemed sufficiently answered if a title insurance policy, available for issuance to the Purchaser by any company which issues title insurance policies in Ontario, would insure over the title matter which is being requisitioned.
- (b) The Purchaser agrees to accept the Property subject to Municipal regulations and restrictions now or hereafter affecting the ownership or use of the Property and the Purchaser shall observe and comply with the said regulations and restrictions and with the terms and obligations imposed by any Development Agreements. The Purchaser agrees to accept title to the Property subject to any easements or licences for the installation of the maintenance of public or other utilities including, without limitation, telephone, electricity, gas, sewer, sump pumps, water and cable television, as well as any rights or easements reserved by the Vendor and/or granted in favour of other lands for maintenance purposes, drainage and roof overhangs, downpipes, footings, drainage pipes, sump pumps, utility meters and other projections of the Dwelling, if necessary on or about the Property. The Purchaser shall also accept title to the Property subject to any rights of entry in favour of the Subdivider, the Vendor, the Municipality or any other utility/service provider or public or private governmental authority. The Purchaser shall execute any easements required for the said purposes upon being requested by the Vendor both before or after Closing. The Purchaser acknowledges that the Transfer/Deed of the Property may reserve such rights and easements. In the event the Vendor, the Subdivider or Municipality or any other governmental authority requires the granting of maintenance and/or private drainage easements which have not been created on or before Closing, the Purchaser shall execute and deliver to the Vendor on Closing an Acknowledgement and Direction authorizing and directing the Vendor to register after Closing any such easements on behalf of the Purchaser. The Purchaser agrees to accept title to the Property subject to any easements, rights of way, licenses, agreements with the Municipality and/or other governmental authority having jurisdiction with respect to future services to be installed, or any other purpose.

- (c) In the event the Property abuts land owned by any government, utility, or railway such authority may require fences, entrance gates or other structures to be located within the Property line and the Purchaser agrees to accept same and agrees to maintain same, if required by such authority.
- (d) The Purchaser acknowledges that title may be conveyed directly from the Subdivider of the lands or from another person or entity (the "Transferor"), and not the Vendor, and the Purchaser hereby releases the Subdivider or Transferor, as the case may be, from all obligation, liability and responsibility whatsoever arising out of or associated with this Agreement, the construction of the Dwelling, the installation of all other improvements within the lot boundaries and the conveyance of title to the Property to the Purchaser, and the Purchaser agrees to execute and deliver on Closing a separate acknowledgment and release in favour of the Subdivider or Transferor, as the case may be, to this effect. Furthermore, in the event that the Vendor is not the registered owner of the Property, the Purchaser agrees to accept a conveyance of title from the registered owner in lieu of the Vendor's and the Purchaser acknowledges and agrees that the consideration shown on the transfer of title is the consideration paid by the Purchaser to the Vendor and not to such registered owner, and that such registered owner has no contractual or other obligation or liability whatsoever to the Purchaser. The Purchaser hereby release(s) such registered owner from all claims, demands, obligations, liability and responsibility whatsoever arising out of or associated with this Agreement, the construction of the dwelling unit and any other improvements by the Vendor upon the above mentioned lands and the conveyance of title to the Purchaser, and the Purchaser agrees to execute and deliver on the Closing Date a separate acknowledgment and release in favour of such registered owner to this effect.
- (e) In the event any mortgages are outstanding on Closing the discharge of which is the Vendor's obligation, the Purchaser agrees to accept the Vendor's solicitor's undertaking to obtain and register the discharge of the same within a reasonable period of time after Closing in full satisfaction of the Vendor's obligation in that regard.
- (f) The Purchaser agrees to confirm the name, address and telephone number of the Purchaser's solicitor to the Vendor or its solicitor in writing no later than ninety (90) days prior to Closing. Should the Purchaser fail to confirm this information and/or during such 90-day period change solicitors, the Purchaser may be charged a fee plus Applicable Taxes on the Statement of Adjustments, as determined by the Vendor and/or its solicitor. The Purchaser agrees to provide the Vendor's solicitor with a written direction as to whom title is to be conveyed no later than sixty (60) days prior to Closing, failing which, the Vendor is hereby directed to convey title to the Purchaser(s) set forth and named in this Agreement. Prior to Closing, the Purchaser covenants not to register this Agreement or any other document on title to the Property.
- (g) If, on or after registration of the Subdivision or such other land severance or lot creation process, the lot number or municipal address of the Property is changed, the Purchaser agrees to accept such variation in lot number and municipal address and this Agreement shall be read with all amendments required thereby.
- (h) The Purchaser agrees to accept title to the Property subject to any Certificates of Property Use, Notice of Requirement or other notices or directives of any governmental authority, including, without limitation the Ministry of the Environment, provided that the Vendor or the Property, as the case may be, is in compliance thereof.
- (i) The Purchaser agrees to accept title to the Property subject to any limiting distance agreement with the owner of any neighbouring properties and any municipal authorities.
- (j) The Purchaser agrees to accept title to the Property subject to any easements, rights-of-way, easement agreements and/or any other agreements with or in favour of the Ministry of Transportation and/or other governmental authorities.
- (k) The Purchaser agrees to accept title to the Property subject to any specific and/or blanket easements, right-of-way, easement agreements and/or other agreements with or in favour of utilities, other lots and/or other applicable entities for installation and/or maintenance of services, telecommunication, cable television systems, and all related or appurtenant equipment.
- (l) The Purchaser agrees to accept title to the Property subject to any easements, rights-of-way, easement agreements, development agreements, subdivision agreements or site plan agreements and any other agreements with the Municipality or other governmental body or agency having jurisdiction, applicable by-laws whether registered or not.
- (m) The Purchaser agrees to accept title to the Property subject to any agreement(s), easement(s), covenants and restrictions between or among the Vendor on its behalf and on behalf of the owner(s) of improvements constructed or to be constructed on lands adjoining or in the vicinity of the Property and/or Subdivision.
- (n) **The Purchaser agrees to accept title to the Property subject to any agreement(s), covenants and restrictions that prohibit or restrict, inter alia, any changes to landscaping on the Property and any changes to the esthetics of the external Dwelling features from that as provided by the Vendor.**

8. SUBDIVISION/DEVELOPMENT AGREEMENT REQUIREMENTS

- (a) The Purchaser acknowledges and agrees that title may on Closing be subject to one or more Development Agreements and that the Subdivider has agreed at its own expense to construct, install and pay for roads, sanitary sewers, water mains and all other services in accordance with the requirements of the Municipality, which the Vendor herein is not responsible to construct, install or pay for. The Purchaser agrees that the Vendor shall not be obligated on Closing or thereafter to obtain releases of such Development Agreements.
- (b) The Purchaser hereby acknowledges receipt of notice from the Vendor that the Vendor and/or the Subdivider or a company (or other entity) related, associated or affiliated with the Vendor, or any entity or person with the consent of the Vendor, may apply for re-zonings, severances, part lot control exempting by-laws, minor variances, site plan approvals, development approvals or official plan amendments or any similar applications with respect to blocks or lots not purchased hereunder as laid down by the Subdivision or with regard to the lands adjacent to or near the lands laid down by the Subdivision, the Purchaser and the Purchaser's successors and assigns, shall consent to any such application and agrees that this paragraph may be pleaded as a bar to any objection by the Purchaser to such re-zonings, severances, part lot control exempting by-laws, minor variances, site plan approvals, development approvals, official plan amendments, signage by-law variances, signage approval applications or any similar applications. The Purchaser further acknowledges that the Vendor or a company (or other entity) related, associated or affiliated with the Vendor, or any entity or person with the consent of the Vendor, may make any such application without any further notice to the Purchaser or the Purchaser's successors and assigns. The Vendor shall have the right to remove any objection(s) made by the Purchaser, the Purchaser's successors and assigns, with respect to any such application and the Purchaser shall reimburse the Vendor for all legal fees, expenses and costs that it incurs as a result of such objection(s). The Purchaser covenants to include the provisions of this clause in any conveyance or disposition, other than a charge or mortgage, of the Property and upon request by the Vendor to assign the benefit of such covenant to the Vendor or a company (or other entity) related, associated or affiliated with the Vendor. The Purchaser shall insert this clause in all agreements of purchase and sale and leases in respect of the Property. The Vendor may, at its sole, absolute and unfettered discretion, register a restriction on title to the Property, for such term as determined by the Vendor in its sole, absolute and unfettered discretion, containing the terms of this provision or language similar thereto and/or include same in the transfer/deed to the Property. The Purchaser covenants and agrees to accept title to the Property subject to said restriction and to accept the transfer/deed containing this provision or language similar thereto.
- (c) The Purchaser acknowledges and agrees that the relevant governing authorities and/or any Development Agreements may require the Vendor to provide the Purchaser with certain notices ("Notices"), including, without limitation, notices regarding land usage, landscaping, maintenance of fencing, school transportation, noise and vibration warning resulting from existing or proposed highways and public transportation systems or corridors, railways, garbage, buffers, school pick-up, transit

routes, bus-stops and/or shelter locations, in some instances the absence of door-to-door mail delivery, the location of "super mailboxes", and in general, any other matter that may be deemed by the Municipality to inhibit the enjoyment by the Purchaser of this Property. Such Notices, when available, may be delivered to the Purchaser in accordance with the notice provisions herein and delivery in accordance with any methods described in said notice provisions shall be deemed to constitute appropriate notification of the Purchaser. The Purchaser agrees to be bound by the contents of any such Notices and covenants to execute forthwith upon request, an acknowledgment containing such Notices if and when requested to do so by the Vendor. In the event any Development Agreement is not registered as of the date of acceptance of this Agreement, and therefore the Notices are not yet available, or if after they are available, they are amended by the Municipality, or are inadvertently omitted or misquoted by the Vendor and if the Municipality requires the Purchaser to receive a copy of the Notices, then a copy of the Notices as revised as necessary shall be delivered to the Purchaser in accordance with the notice provisions herein and delivery in accordance with any methods described in said notice provisions shall be deemed to constitute appropriate notification. Without limiting the generality of the foregoing, to the extent that any Notices are provided to the Purchaser by the Vendor after this Agreement has been made, such Notices shall be deemed to have been included in this Agreement at the time that this Agreement has been made. The Purchaser acknowledges and agrees that any Notices and warning clauses may be registered on title to the Property, at the sole and absolute and unfettered discretion of the Vendor. Purchasers/tenants are advised that despite the inclusion of noise control features in this development area and within dwellings, noise levels from increasing road traffic from nearby roadways may be of concern occasionally interfering with some activities of the dwelling occupants.

- (d) The Purchaser hereby unconditionally acknowledges that the Purchaser is aware of the above matters and warning clauses and the notices set out in this Agreement and any schedule attached hereto and confirms that the Purchaser does not object, in any manner whatsoever, to any of these matters and warning clauses nor to any of the notices set out in this Agreement or any schedule attached hereto nor will the Purchaser be entitled to raise any objections with respect to the above matters and warning clauses or notices set out in this Agreement and any schedule attached hereto and the Purchaser hereby waives and releases any claims that the Purchaser may have against the Vendor with respect to the above matters, warning clauses and the notices set out in this Agreement and any schedule attached hereto and any additional notices and warning clauses as referred to at a future date.

9. DAMAGES BEFORE CLOSING

All buildings and equipment shall be and remain at the Vendor's risk until Closing. In the event of any damage to the Dwelling, however caused, the Vendor shall be entitled to the insurance proceeds payable under any insurance policy coverage on the Dwelling.

In the event that the Property or the Dwelling are substantially damaged or destroyed, and the Vendor's lender requires that insurance proceeds be applied to reduce its loan rather than to the reconstruction of the Dwelling and the Vendor does not have alternative financing arrangements satisfactory to the Vendor, in its sole, absolute and unfettered discretion, then the Purchaser and Vendor agree that such event shall constitute a frustration of this Agreement and the Purchaser's deposits shall be returned to the Purchaser with interest as required by law, without deduction, and the Vendor shall not be liable for any costs and/or damages incurred by the Purchaser thereby whatsoever, including, without limitation, costs and/or damages arising from (or in connection with) the termination of this transaction, by virtue of the frustration of this contract.

10. AFTER CLOSING

- (a) In the event that after taking possession of the Dwelling, the Purchaser shall complete and/or install any additions and/or improvements such as, but not limited to, porches, patios, plantings, paved driveways, pool or hot tubs, curbs or fences which are located within 6 feet of an external wall or within any area which interferes with the Subdivider or Vendor installing any required services, the Purchaser will remove such addition and/or improvements within five (5) business days of written request from the Vendor and prior to the Vendor taking any corrective actions which it is required to take.
- (b) In the event that after taking possession of the Dwelling, the Purchaser shall complete and/or install any improvements, additions or alterations thereto, including, but not limited to, finishing basement, wallpapering, cabinetry and/or mouldings and/or finishes, porch finishes, pools or hot tubs, the Purchaser shall be required to remove such improvements, additions or alterations at the Purchaser's own expense, in the event that the Vendor shall be required to carry out any repairs or replacements to the Dwelling in the area of such improvements, additions or alterations.
- (c) The Purchaser acknowledges that grading and sodding and landscape plantings (if any) shall be done between June and October (weather permitting and subject to availability of supplies) of any year as per the Vendor's scheduling program. The Purchaser agrees that the Purchaser shall be solely responsible for watering and general maintenance of sod and landscape plantings (if any) from the Closing Date or from the date that sod is laid (or landscape plantings are planted), whichever shall be the later, and the Vendor shall have no obligation in that regard. In the event the Vendor is, for any reason, required to replace laid sod (or other landscape plantings, if any), the Vendor shall not be obligated to do so until payment has been made therefor by the Purchaser and if so replaced, the Purchaser agrees to reimburse the Vendor for the costs and expenses of same as determined by the Vendor, which costs and expenses may be deducted from the Security Deposit at the Vendor's sole, absolute and unfettered discretion. Further, the Purchaser acknowledges that the order of closing of the Property and/or the order of completion closing of other lots sold by the Vendor is not indicative of the order of sodding of the Property and said other lots.
- (d) The Purchaser covenants to occupy the Dwelling forthwith after Closing. The Purchaser agrees not to finish the whole or any part of the basement of the Dwelling for a period of 24 months after the Closing Date or such longer period which is equivalent to the warranty period under the Warranty Act for basement repairs. The Purchaser hereby releases the Vendor from any liability whatsoever in respect of water damage to basement improvements and chattels stored in basement resulting from water seepage or leakage, including any consequential damages arising therefrom.
- (e) The Purchaser acknowledges that the Vendor has a master key for the Subdivision and in the event that the Purchaser wishes to change any locks, the Purchaser may do so, at the Purchaser's own expense, any time after the Closing Date.
- (f) If settlement occurs due to soil disturbances around the Dwelling, the walkways, driveways and sodded areas, all minor settlements shall be the responsibility of the Purchaser, and the Vendor will rectify any major settlement once only, and such work, unless of an emergency nature, will be completed when reasonably feasible and according to the Vendor's work program and availability of materials and tradesmen's services. The Vendor is not responsible for any damage to the Dwelling which the Vendor considers of a minor nature by reason of such settlement.
- (g) No request by the Purchaser for homeowner service will be processed by the Vendor unless such request is in writing through Tarion's submission requirements, other than emergency service, such as no heat, no water or no electricity. In the event the Vendor is requested by the Purchaser to perform a homeowner service call for repairs relating to construction or work performed by the Vendor and the Vendor determines in its sole discretion that such repair is required due to any negligent act or omission either through the neglect or omission of the Purchaser, the Vendor shall not be required to attend to such service call.
- (h) The Purchaser agrees that after Closing, if required by the Municipality or any public or private utility such as the local electric authority, gas company, telecommunication or television system provider the Purchaser will grant an easement for the installation and maintenance of such utilities, including without limitation, for sewers, water mains, lines, electricity equipment and appurtenances, gas equipment and appurtenances, telephone equipment and appurtenances or any other similar installations.
- (i) The Purchaser agrees that the Purchaser will not, for a period of at least two (2) years from the Closing Date or assumption of the Subdivision by the Municipality, whichever is the later, plant any trees, shrubs, vines, hedges or other landscaping on

the Property without the express written consent of the Vendor which consent may be withheld in the Vendor's sole, absolute, subjective and unfettered discretion. The Vendor shall have the right during such period to enter on the Property, without notice to the Purchaser, and to remove, without any liability whatsoever, any such trees, shrubs, vines, hedges or other landscaping planted on the Property in contravention of this Section without such act being a trespass.

- (j) If, after Closing, the Property is sold before the LATER OF: the municipal assumption of subdivision services within the Subdivision, the completion of all the Tarion warranty periods for the Property and 24 months after the Closing Date, the Purchaser shall ensure that this Agreement (and all schedules hereto) is attached to the sales agreement and make the new purchaser responsible for all the terms and provisions of this Agreement to be complied with by the Purchaser hereunder.
- (k) The Purchaser agrees that until all the lots or blocks in the Subdivision are sold, the Vendor, the Subdivider and/or other vendors of properties, dwellings and/or other structures within the Subdivision shall have the exclusive rights to maintain model homes, signs, sales staff and marketing material(s) in the Subdivision and to show prospective purchasers through the Subdivision and through any unsold properties, dwellings, sales offices and/or other structures.

11. BREACH OF CONTRACT

- (a) Any breach by the Purchaser of any of the provisions of this Agreement shall entitle the Vendor, in addition to any rights or remedies that the Vendor may have in law or otherwise, to give notice to the Purchaser declaring this Agreement terminated, whereupon all deposit monies paid hereunder, and any monies paid for extras, shall be forfeited to the Vendor as liquidated damages and not as a penalty.

12. PROHIBITION ON SELLING, ASSIGNING, LEASING, LISTING ETC.

- (a) The Purchaser covenants not to offer for sale, lease and/or transfer the Property, nor to sell, lease, assign or transfer the Purchaser's interest under this Agreement (or in the Property), nor to advertise, list, allow or cause to be advertised or listed for sale, lease, assignment or otherwise the Property or an interest under this Agreement on a listing service or sales service including, without limitation, the Multiple Listing Service ("MLS") or on, by or through any other publication or medium, including without limitation, any form of social media or through any website or application, until after acquisition of title to the Property on the Closing Date and the Vendor having received payment of all of the Purchase Price. The Purchaser acknowledges and agrees that once a breach of any of the preceding covenant occurs, such breach is (or shall be) incapable of rectification, and accordingly the Purchaser acknowledges and agrees that in the event of such breach, the Vendor shall have the unilateral right and option of terminating this Agreement effective upon delivery of notice of termination to the Purchaser or the Purchaser's solicitor, whereupon the provisions of this Agreement dealing with the consequence of termination by reason of the Purchaser's default, shall apply.
- (b) The Purchaser represents to the Vendor (upon which representation the Vendor has relied in accepting the Purchaser's offer) that the Purchaser is purchasing the Property for the Purchaser's own personal use and not for investment, short term and/or speculative purposes.
- (c) The Purchaser covenants and agrees that it shall not place or allow to be placed any "for sale", "for lease" or "for rent" signs within the Dwelling that are visible from the exterior thereof or upon any portion of the Property or lands adjacent thereto until the later of: (a) the closing of the herein transaction and (b) until all of the dwellings in the Subdivision have been sold, which occurrence shall be determined by the Vendor in its sole, absolute, subjective and unfettered discretion. In the event that the Purchaser places or allows to be placed any such signs in contravention of the aforementioned, the Vendor shall have the absolute right to enter onto the Property and remove such sign without such act being an act trespass and the Vendor shall not be liable to the Purchaser for such removal, either in contract, tort or otherwise. The aforementioned covenant of the Purchaser and right of the Vendor shall survive the closing of the herein transaction.

13. UNLAWFUL WORKS

- (a) In the event that the Purchaser shall without the consent in writing of the Vendor, enter upon the Property and carry out changes or additions to the Dwelling (the "Unlawful Works") being constructed by the Vendor, the Purchaser will forthwith pay to the Vendor the amount incurred by it in order to correct any damages caused by the installation or existence of the Unlawful Works including, without limiting the generality of the foregoing, time lost by the resulting delays and interest on monies invested, and at the Vendor's option it may declare this Agreement terminated. In addition to the foregoing, if the Unlawful Works shall be determined by any inspector having jurisdiction in that regard as not complying with the statutes, by-laws or regulations applying thereto, the Purchaser shall forthwith carry out any required work to remedy any such non-compliance and failing which, the Vendor, at its option may carry out such work at the expense of the Purchaser which the Purchaser shall pay to the Vendor forthwith upon written request for payment for same and/or at the option of the Vendor, it may declare this Agreement terminated. The Purchaser agrees that anything constructed by the Vendor which is not accessible due to the Unlawful Works shall not be covered under the Warranty Act's warranties.
- (b) In the event that the Vendor shall choose the option as set forth above to declare the Agreement terminated, it shall be entitled to retain the Purchaser's deposit paid plus the value of the Unlawful Works. The parties agree that the damages which may be suffered by the Vendor as a result of the Unlawful Works cannot be assessed monetarily and the retention of the deposit and Unlawful Works, shall be deemed to be liquidated damages and not a penalty. **THE PURCHASER ACKNOWLEDGES THAT THE UNLAWFUL WORKS SHALL NOT BE COVERED UNDER THE WARRANTY ACT'S WARRANTIES.**
- (c) The Purchaser covenants and agrees that it will not be entitled nor permitted and shall at no time enter upon the subdivision or the Property prior to the Closing without the approval of the Vendor. Additionally, the Purchaser covenants and agrees that it shall not enter upon the Property or the subdivision prior to the Closing to supply any material and/or to perform any work or labour to or on the Dwelling or Property respectively. The Purchaser further covenants and agrees that the Vendor will not contract for the supply and installation of extras to the Dwelling to be constructed other than by way of written contract on a specific form supplied by the Vendor for that purpose within fourteen (14) days of the acceptance of this Agreement.
- (d) The Purchaser shall not enter upon the Property at any time without the consent in writing of the Vendor or accompanied by a representative of the Vendor. Failure to comply with the foregoing shall constitute a trespass by the Purchaser on the Property and will entitle the Vendor to bring criminal or civil proceedings for such trespass against the Purchaser. In respect of any entry with the Vendor's prior written consent, the Purchaser agrees to comply with all regulations under the Occupational Health & Safety Act, including the wearing of head and foot protection and such other safety apparel as designated by the Vendor. The Purchaser further agrees to indemnify the Vendor against any damages, losses and fines incurred as a result of non-compliance with this provision by the Purchaser.
- (e) The Vendor in its discretion may invite the Purchasers or one of them as the Vendor deems appropriate to visit and view the Dwelling with a representative of the Vendor prior to drywall installation provided that construction timing and weather conditions permit. The Purchaser covenants and agrees that should such entry be permitted by the Vendor, the Purchaser shall enter the premises at their own risk and the Purchaser agrees to comply with all regulations under the Occupational Health & Safety Act, including the wearing of head and foot protection and such other safety apparel as designated by the Vendor. The Vendor shall supply hard hat and safety boots to Purchasers at no expense to the Purchasers. The Purchasers covenant and agree that the Vendor assumes no responsibility nor any liability for any injury that may occur to any Purchaser and the Purchasers acknowledge and confirm that they assume all liability and responsibility for any injury which they may suffer or incur as a result of such entry. The Purchasers also acknowledge that such entry shall only take place in the presence of and under the supervision of a representative of the Vendor and any visit may be terminated by the Vendor's representative in their sole and absolute discretion. The Purchasers further covenant and agree to execute any form of release

prior to such entry that may be required by the Vendor. The Purchaser further agrees to indemnify the Vendor against any damages, losses and fines incurred as a result of non-compliance with this provision by the Purchaser.

14. CONTRACT AND DEFAULT

The Purchaser shall be deemed to be in default under this Agreement if the Purchaser registers any instrument against title to the Property other than the transfer to be delivered by the Vendor, or if any lien, execution or encumbrance arising from any action or default whatsoever of the Purchaser is charged against or affects the Property.

The deposit monies are expressly deemed to be deposit monies only, and not partial payments. The Purchaser acknowledges that the deposits paid hereunder may be used by the Vendor, in the Vendor's sole, unfettered and subject to discretion, for the servicing/construction of the Property and/or the surrounding dwellings/lands.

Subject to any other rights of the Vendor to terminate this Agreement contained herein, if any (a) monetary default by the Purchaser occurs under this Agreement; or (b) any non-monetary default by the Purchaser occurs under this Agreement and such non-monetary default continues for 5 days after written notice thereof is given to the Purchaser or the Purchaser's solicitor, then the Vendor may retain all monies paid as liquidated damages without prejudice to any other rights and/or remedies available to the Vendor and the Vendor may thereupon terminate this Agreement. If the Vendor is required to pay any lien, execution or encumbrance, the Purchaser shall reimburse the Vendor for all amounts and costs so paid. Any monies owing to the Vendor (a) pursuant to this Agreement and not paid to the Vendor in accordance with the terms hereof; or (b) as a result of any expenses incurred by the Vendor arising from a breach by the Purchaser of any of the Purchaser's obligations described in this Agreement, shall bear interest at the rate of 12% per annum, calculated daily, not in advance, from the date of default with respect to any monetary default and from the date of written demand with respect to the aforesaid expenses. In the event this Agreement, in future, is amended in order to accelerate the Closing of the transaction or to change or alter the construction specifications of the Dwelling by giving the Purchaser a credit or reduction against the Purchase Price and the Purchaser fails to complete the transaction, all damages shall be assessed as if such amendment was not entered into. The Purchaser shall pay the Vendor's solicitor's fees in the amount of \$500.00 (plus Applicable Taxes and disbursements) for each letter or other form of notice sent to the Purchaser or the Purchaser's solicitor relating to any default by the Purchaser.

In the event that the person(s) executing this Agreement as Purchaser have done so for a disclosed or undisclosed beneficiary or principal, such person(s) executing this Agreement shall nevertheless be deemed and construed to constitute the personal indemnity of such person(s) so signing with respect to the obligations of the Purchaser herein and shall be fully liable to the Vendor for the Purchaser's obligations under this Agreement and shall not plead such agency, trust relationship or other relationship as a defence to such liability.

In the event that this Agreement is terminated and the Purchaser is entitled to the return of its deposits in accordance with this Agreement, the Purchaser acknowledges that the Vendor and any undisclosed beneficiary, agent or other person or corporation, shall not be liable for any damages or costs whatsoever incurred by the Purchaser resulting from the termination of this Agreement including, without limitation, relocation costs, moving costs, professional fees and disbursements, opportunity costs, loss of bargain or other damages or costs incurred by the Purchaser, whether direct or indirect and the Purchaser further acknowledges that this provision may be pleaded by the Vendor as a complete defence to any claim, action or proceeding which may be made or brought against the Vendor and/or its agents and/or affiliates.

15. COLOUR AND MATERIAL SELECTION

- (a) Wherever in this Agreement that the Purchaser has the right to choose colours or materials, the Purchaser shall do so within ten (10) days after notification by the Vendor and the Purchaser shall make the Purchaser's selection of such colours and/or materials, whatever the case may be, from the Vendor's samples by way of an appointment and list same on the Vendor's colour selection form. The Purchaser shall conduct the selection of colours and/or materials in the manner set out by the Vendor in its sole, absolute and unfettered discretion, including without limitation, by electronic mail or similar electronic transmission, mail, personal attendance, video call/video conference, and at a time and location designated by the Vendor in its sole, absolute and unfettered discretion. The Vendor is not responsible for any errors in the selection of colours and/or materials arising from any limitations and/or restrictions in the methods, media, systems and/or technologies used to make such selections. If the Purchaser fails to attend such appointment, or cancels or reschedules such appointment with less than 72 hours notice, the Purchaser shall be charged a fee of \$500.00 plus Applicable Taxes on the Statement of Adjustments.
- (b) In the event that the Purchaser shall desire to select colours or materials from other than the Vendor's samples, the Vendor may, at its sole, absolute and unfettered discretion, allow the Purchaser to negotiate such colours or materials directly with the Vendor or the Vendor's subtrade or supplier. If the Vendor allows for such negotiation, the Purchaser must negotiate such colours or materials directly with the Vendor or the Vendor's subtrade or supplier as directed by the Vendor and attend to payment of any additional cost as a result of such choice to the Vendor or the Vendor's subtrade or supplier directly, as directed by the Vendor.
- (c) In the event that the Purchaser shall have made a choice of colours and/or materials from either the Vendor's samples or otherwise as aforesaid and because of lack of supply or other reasons the installation of such colour choice and material cannot be completed in accordance with the Vendor's construction schedule, the Purchaser shall choose alternate colours and materials within five (5) days of notification by the Vendor and in the event the Purchaser fails to make an alternate selection as aforesaid, the Vendor shall have the option of choosing the colours and materials and the Purchaser shall be obligated to accept same.
- (d) In the event that by the Closing Date the installation of the selected colours and upgraded materials to be performed by the Vendor or its subtrade(s) has not been completed, and as a result thereof the Dwelling has not been completed, then the Purchaser shall, notwithstanding such incomplete work, complete the transaction on the Closing Date and shall pay the full amount required to be paid on Closing in accordance with this Agreement, notwithstanding that an occupancy permit may not be available as a result thereof.
- (e) In the event that the Purchaser shall not have made the Purchaser's selection within ten (10) days after notification by the Vendor or an extended date acceptable to the Vendor, then the Vendor shall have the option of choosing the colours and materials for and on behalf of the Purchaser and the Purchaser agrees to accept same. The Purchaser shall further be charged a fee of \$1,000.00 plus Applicable Taxes on the Statement of Adjustments for the Vendor's administrative fee for choosing colours and materials on behalf of the Purchaser.
- (f) In the event that the Purchaser has installed or has requested the Vendor to install a different floor covering than that which the Vendor would normally install in the dwelling, then the Purchaser agrees that if any defects should come to light for which the Vendor is normally responsible and repairs to which require the removal of the said floor covering, the Vendor will not be responsible to effect such repairs. For purposes of this Agreement "floor covering" shall mean any type of finished floor covering which is normally placed on the sub-floor and without limiting the generality of the foregoing, shall include tile, hardwood, laminate, natural stone, terrazzo, ceramic and porcelain.
- (g) Where omissions occur on the original colour selection sheet, the Purchaser acknowledges that selection by the Vendor will be final.
- (h) The Purchaser agrees that if after having made the original colour and/or materials selections the Purchaser does make a change erroneously or otherwise, the Purchaser will be deemed responsible for all errors resulting from any double selections.
- (i) The Purchaser further agrees that in the event that the Vendor has preselected colours prior to the purchase herein of the Property, the prescribed colours shall be final notwithstanding that the Purchaser may have completed a colour selection/chart.

- (j) In the event that any of the terms and conditions stated on a contract, addendum or schedule requesting extras, upgrades or changes (the "Options and Upgrades Agreement") are in conflict or contradiction of any terms or conditions stated in this Agreement, it is hereby agreed that the terms and conditions stated on the Options and Upgrades Agreement shall take precedence over the terms and conditions of this Agreement provided such provisions do not conflict with the provisions of the Tarion Addendum and Statement of Critical Dates annexed hereto, in which case the provisions of the Tarion Addendum and Statement of Critical Dates annexed hereto shall be read to form part of the Options and Upgrades Agreement in the place and stead of the conflicting or contradictory provisions thereof. Without limiting the foregoing, the Vendor and Purchaser agree that the provisions of the Tarion Addendum and Statement of Critical Dates annexed hereto shall prevail over any provision contained in this agreement, in any amendment to this Agreement or in any other document between the Vendor and Purchaser in relation hereto that derogates from, conflicts with or is inconsistent with the provisions of the Tarion Addendum and Statement of Critical Dates annexed hereto.
- (k) The Purchaser agrees that if after having made the original colour and/or materials selections and/or having made signed the Options and Upgrades Agreement the Purchaser wishes to make changes to such colour and/or materials selections or such Options and Upgrades Agreement, the Purchaser shall be charged a fee of \$1,000.00 plus Applicable Taxes on the Statement of Adjustments for the Vendor's administrative fee for such changes.

16. MODEL HOMES

- (a) The Purchaser acknowledges that the Purchaser has purchased the Dwelling on the basis of plans appended to this Agreement and not from a model, vignette, sales office samples or 3D or virtual renderings or illustrations. The Purchaser acknowledges that the model homes, if any, may have items installed for decor purposes, such as, but not limited to, upgraded flooring materials, ceramic tile, hardwood, laminate, carpet, paint, kitchen cabinets, countertops, lighting and fixtures, driveways, walkways, railings and pickets, skylights, entry doors, interior doors, paneling, wallpaper, window treatment, drapes, curtains, plumbing supplies, intercom systems, alarm systems, smart home features, appliances, landscaping, underground sprinkler systems, underground lighting, decks and finished basements. The Purchaser acknowledges and agrees that these decor items will not be included in the Purchase Price and that the contract will consist of only those items listed on Schedule "A".
- (b) Notwithstanding anything herein written, if at the time that this Agreement is executed, the Dwelling constructed on the Property has already been substantially completed, the Purchaser shall purchase the Property in an "as built" condition rather than in accordance with any other representations herein contained.
- (c) Furthermore, in the event that the Dwelling has been used as a model or show home, the Purchaser acknowledges that the subject premises has been used extensively as a "Model" or "Show" home, and as such, has been subjected to the normal wear and tear associated with that purpose. Unless otherwise specifically agreed in writing, no refinishing shall be done by the Vendor on the subject premises and the purchaser agrees to accept the dwelling on closing on an "as-is" basis. For the purposes of clarity only, and without restricting the generality of the foregoing, the Purchaser hereby waives any claim in respect of scratched floors, counters or plumbing fixtures; or, sun-faded paint and stain colours.

17. HST CLAUSE

The Purchaser and Vendor agree that the harmonized sales tax (the "HST") applies to this transaction and the Purchase Price includes the HST, net of the federal and Ontario new housing rebates or the like (collectively the "Rebate"). The Purchaser shall assign in a form required by the Vendor and/or by any of the Government of Canada, Government of Ontario and/or any other governmental and/or tax authority (collectively, the "Government") to the Vendor (or to such other party as the Vendor may otherwise require or direct) all of the Purchaser's right, title and interest in the Rebate to which the Purchaser is entitled. In connection with such assignment, the Purchaser shall deliver to the Vendor (or to such other party as the Vendor may otherwise require or direct), upon request by the Vendor, on or after the Closing Date, such application, documents and affidavits as may be required by the Vendor and/or the Government to establish the Purchaser's entitlement to the Rebate. If the Purchaser is not entitled to the Rebate for any reason whatsoever or if the Rebate is reduced or withdrawn by the Government and not replaced with an amount equivalent to the amount of the Rebate to which the Purchaser is entitled by the Government or if the Rebate is not or cannot be assigned to the Vendor (or to such other party as the Vendor may otherwise require or direct) or the Rebate is claimed and payment/credit of the Rebate to the Vendor (or to such other party as the Vendor may otherwise require or direct) is denied by the Government or if, following the Closing Date, the Vendor (or such other party identified by the Vendor) believes that the Purchaser does not qualify for the Rebate for whatever reason, including, without limitation, the Property being offered, listed or advertised for sale, lease or transfer privately or otherwise on a listing service system or on, by or through any other publication or medium, then, the Purchaser shall forthwith upon demand by the Vendor pay to the Vendor (or to such other party as the Vendor may otherwise require or direct) an amount equal to the Rebate or the amount so reduced or withdrawn and until so paid, the amount of the Rebate shall form a charge against the Property which charge shall be recoverable by the Vendor (or by such other party identified by the Vendor) in the same manner as a mortgage in default. If the Vendor (or such other party identified by the Vendor) does not receive the full benefit of the Rebate for any reason whatsoever, whether or not as a result of the Purchaser's acts or omissions, the Purchaser shall indemnify and save the Vendor (or such other party identified by the Vendor) harmless in the amount that the Vendor (or such other party identified by the Vendor) would have been entitled to had such Rebate been received, together with all interest and penalties thereon, and all losses, costs, damages and liabilities which the Vendor (or such other party identified by the Vendor) may suffer, incur or be charged with in connection therewith, as a result of the Purchaser's failure to qualify for the Rebate, or as a result of the Purchaser having qualified initially but being subsequently disentitled to the Rebate, or as a result of the inability to assign the benefit of the Rebate to the Vendor (or to such other party as the Vendor may otherwise require or direct), or as a result of the ineffectiveness of the documents purporting to assign the benefit of the Rebate to the Vendor (or to such other party as the Vendor may have otherwise required or directed), which indemnity shall survive the Closing Date. Notwithstanding anything herein contained to the contrary, the Vendor shall have the right to register a Vendor's Lien or Notice for the amount of the Rebate against the Property immediately following the Closing Date to secure the Vendor's entitlement (or the entitlement of such other party as may be identified by the Vendor) to the Rebate as herein provided. The Purchaser acknowledges and agrees that the Purchaser shall not be entitled to any refund, credit or abatement in any manner whatsoever should the HST, or any portion thereof, not apply to this transaction for any reason whatsoever. The HST that is included in the Purchase Price is based on the federal portion and the provincial portion of the HST at the rates of 5% and 8%, respectively. If either or both of the rates increase, the Purchaser shall be responsible for the increase and shall pay same as an adjustment on the Closing Date, and if either or both of the rates decrease, the Purchaser shall not be entitled to any abatement or reduction of the Purchase Price. Notwithstanding that the Purchase Price is inclusive of the HST net of the Rebate as aforesaid, the Purchaser, shall, at the Purchaser's own cost and expense, be responsible for the payment of the HST and all other taxes, value added taxes, sales taxes, use taxes or transfer taxes and any increases thereof which may be applicable (collectively the "Applicable Taxes") on all closing adjustments and amounts payable for extras, changes, upgrades, fees and charges.

If the Vendor (or such other party identified by the Vendor) believes, for whatever reason, that the Purchaser does not qualify for the Rebate, regardless of any documentation provided by or on behalf of the Purchaser (including any statutory declaration sworn by the Purchaser) to the contrary, and the Vendor's (or such other party identified by the Vendor) belief or position on this matter is communicated to the Purchaser or the Purchaser's solicitor on or before the Closing Date, then notwithstanding anything hereinbefore or hereinafter provided to the contrary, the Purchaser shall be obliged to pay to the Vendor (or to whomsoever the Vendor may in writing direct), as an adjustment on Closing (or such other manner as may be determined by the Vendor in its sole, absolute and unfettered discretion), an amount equivalent to the Rebate, in addition to the Purchase Price. In those circumstances where the Purchaser maintains that the Purchaser is eligible for the Rebate despite the Vendor's (or such other party identified by the Vendor) belief to the contrary, the Purchaser shall (after payment of the amount equivalent to the Rebate as aforesaid) be fully entitled to file the rebate form directly with (and pursue the procurement of the Rebate directly from) the Canada Revenue Agency. Regardless of whether or not the Purchaser is a registrant under the Excise Tax Act, the Purchaser shall not be entitled to self-assess the HST payable in respect of this transaction.

The Purchaser acknowledges and agrees for any matter related to HST that is applicable to this transaction, including without limiting the generality of the foregoing, the Rebate, that the Vendor may designate another person (including the Subdivider or any party in which the Vendor is acting as the disclosed or undisclosed agent for when it entered into this Agreement of Purchase and Sale) to be listed as a party to the HST documentation and the Purchaser agrees to execute such HST documentation notwithstanding that a party other than the Vendor may be the recipient, addressee or beneficiary of the Rebate. Where the Vendor determines that such HST documentation is incomplete, incorrect or insufficient for the Rebate to be claimed, the Purchaser, without limiting the generality of Section 32, hereby irrevocably nominates, constitutes

and appoints the Vendor (and any other party as may be directed by the Vendor) as its duly authorized attorney, agent and representative to amend, correct and complete, as applicable, such HST documentation including the Rebate form.

18. AGREEMENT CONDITIONAL

This Agreement and the transaction arising therefrom are conditional upon compliance with the provisions of the Planning Act of Ontario, and amendments thereto at the Vendor's expense.

19. AGREEMENT NOT TO BE REGISTERED

The Purchaser acknowledges this Agreement confers a personal right only and not any interest in the Property and that the registration against title of any notice or caution or other reference to this Agreement or the Purchaser's interest is likely to cause inconvenience and prejudice or irreparable harm to the Vendor and other purchasers of dwellings within the Subdivision. If any such registration occurs, the Vendor may terminate this Agreement forthwith and take full forfeiture of the Purchaser's deposits as liquidated damages and not as a penalty. Further, the Purchaser hereby irrevocably consents to a court order removing such registration and agrees to pay all Vendor's costs and expenses in obtaining such court order including, but not limited to, fees of its solicitors on a full indemnity basis together with any Applicable Taxes thereon. Additionally, the Purchaser hereby irrevocably nominates, constitutes and appoints the Vendor or any of its authorized signing officers to be and act as the Purchaser's lawful attorney in the Purchaser's name, place and stead, without liability or claim, for the purpose of removing any such registration from title.

20. TENDER

Any tender of documents or money may be made by the Vendor upon the Purchaser hereto or upon the respective solicitor, will be deemed to be good and valid if made in accordance with the provisions of paragraph herein headed "ELECTRONIC REGISTRATION". The Vendor shall not be required to register any discharge of any outstanding mortgage, charge or other encumbrance not being assumed by the Purchaser on the Closing Date, in order to validate or perfect the Vendor's tender upon the Purchaser, and need only make arrangements to discharge same in accordance with the provisions of paragraph headed "TITLE" herein in the event that the Purchaser completes this transaction. The parties agree that payment of monies must be made or tendered in such form and by such method as may be directed in writing by the Vendor, in its sole, absolute and unfettered discretion. Unless otherwise directed, in accordance with the foregoing, payment shall be made by way of the Purchaser's solicitor's certified cheque drawn on such solicitor's trust account, which trust account must be with one of the Schedule "I" Banks in Canada and which solicitor must be both in good standing with the Law Society of Ontario and an authorized ERS user. The Purchaser further acknowledges and agrees that the Vendor shall not be required to provide any key(s) as part of any tender made by it and that this Agreement provides for the release of keys on or following Closing.

Notwithstanding anything contained herein to the contrary, in the event the Purchaser or the Purchaser's solicitor advise the Vendor or the Vendor's solicitors, on or before the Closing Date that the Purchaser is unable or unwilling to complete the purchase of the Property or take occupancy of same, the Vendor is relieved of any obligation to make any formal tender upon the Purchaser or the Purchaser's solicitor and the Vendor may exercise forthwith any and all of its right and remedies provided for in this Agreement and at law.

21. EXTENSION AND TERMINATION

- (a) The Purchaser acknowledges that the Closing Date as described in this Agreement may be extended in accordance with the Warranty Act and the Taron Addendum and Statement of Critical Dates.
- (b) Forthwith upon any termination of this Agreement the Purchaser shall execute and deliver to the Vendor the form of Mutual Release and Termination Agreement that may be required by the Vendor and/or Taron in the circumstances of such termination.
- (c) The Vendor shall have the option, in its sole, absolute and unfettered discretion, to extend the Firm Closing Date or Delayed Closing Date (as set out in the Taron Addendum and Statement of Critical Dates hereof), as the case may be, for one business day to avoid the necessity of tender where the Purchaser is not ready to complete the transaction on either of such dates.
- (d) The Vendor shall have a one-time unilateral right, at its sole, absolute and unfettered discretion, to extend the Firm Closing Date or Delayed Closing Date (as set out in the Taron Addendum and Statement of Critical Dates appended hereto), as the case may be, for one (1) Business Day to avoid the necessity of tender where a Purchaser is not ready to complete the transaction on either of such dates.

22. AGREEMENT NOT TO MERGE WITH TRANSFER

All of the covenants, warranties and obligations contained in this Agreement to be performed by the Purchaser and all of the Purchaser's acknowledgments, waivers, releases and indemnities contained in this Agreement shall survive Closing and completion of this transaction and shall remain in full force and effect notwithstanding the transfer of title to the Property to the Purchaser. It is provided that in the event of a breach of any covenant, warranty or obligation contained in this Agreement to be performed by the Purchaser, the Vendor shall be entitled, at its option, to declare this Agreement terminated and to retain all amounts paid by the Purchaser without prejudice to any other rights of the Vendor arising from that breach.

23. WAIVER

No provision of this Agreement may be waived by either party except in writing. The waiver of any of the provisions hereunder shall not affect the right of either party to enforce all other provisions not so waived.

The Purchaser acknowledges and agrees that the covenants and obligations of the Vendor contained in this Agreement shall be those of the Vendor only. The Purchaser further acknowledges and agrees that in the event that the Vendor has entered this Agreement as a trustee or agent for and on behalf of an undisclosed beneficiary or principal, whether or not so stated herein, there shall be no liability on such undisclosed beneficiary or principal and the only recourse or remedy that the Purchaser shall have on default by the Vendor herein is against the Vendor and the Property, the Purchaser hereby waiving any and all rights of recovery or recourse against such beneficiary or principal whether in law, equity or otherwise. The Purchaser further acknowledges and agrees that this acknowledgment, agreement and waiver may be pleaded as an estoppel and bar against the Purchaser in any action, suit, application or proceeding brought by or on behalf of the Purchaser to assert any of such rights of recovery or recourse against any such beneficiary or principal.

24. SUBORDINATION AND ASSIGNMENT OF AGREEMENT

The Purchaser agrees that this Agreement shall be subordinate to and postponed to any mortgages arranged or to be arranged by the Vendor and any advances thereunder from time to time, and to any easement, service agreement and other similar agreements made by the Vendor concerning the property or lands. The Purchaser agrees to do all acts necessary and execute and deliver all necessary documents as may be reasonably required by the Vendor from time to time to give effect to this undertaking and in this regard the Purchaser hereby irrevocably nominates, constitutes and appoints the Vendor or any of its authorized signing officers to be and act as the Purchaser's lawful attorney in the Purchaser's name, place and stead for the purpose of signing all documents and doing all things necessary to implement this provision.

The Vendor may assign this Agreement and its covenants and obligations herein to a third party including any lender (i.e. a chartered bank, trust company or other lending entity), provided following such assignment, the Vendor shall notify the Purchaser of such assignment. Such assignment shall be in a form prescribed or approved by the Vendor and upon notification of assumption of this Agreement and such assignment to the Purchaser, the Vendor shall be automatically released from all obligations arising pursuant to this Agreement and the assignee shall continue from the date of such assignment as the Vendor as if it had been the original party to this Agreement. As it relates to an assignment of this Agreement to a lender as aforesaid the lender's liability shall be limited as provided for in the assignment.

25. ACCEPTANCE

This Offer by the Purchaser when accepted by the Vendor shall constitute a binding agreement of purchase and sale, without requiring notice of such acceptance to be delivered to the Purchaser prior to such time. Without limiting the generality of the foregoing, acceptance of this offer (or any counter offer with respect thereto) may be made by way of telefax transmission, pdf electronic mail or similar electronic transmission, reproducing the original, provided all of the necessary signatures and initials of both parties hereto are duly reflected on (or represented by) the telefaxed, emailed or electronic copy of the Agreement are so transmitted, and such offer and/or acceptance shall be deemed to have been effected or made when the Agreement is telefaxed, emailed or sent electronically to the intended party, and the parties irrevocably acknowledge and agree that such telefaxed, emailed or electronic transmission of the Agreement shall be binding upon the parties to the same extent as if originally signed.

26. TIME OF ESSENCE

Time shall in all respects be strictly of the essence of this Agreement and no extension of time for any payment by the Purchaser or rectification of any breach of any agreement, stipulations, condition or restriction shall operate as a waiver of this provision with respect to any other payment or rectification of any other breach, except as specifically agreed upon in writing by the Vendor or the Purchaser, as the case may be.

27. PREPARATION AND COST OF REGISTERING DOCUMENTS

The Transfer/Deed is to be prepared by the Vendor on the Vendor's standard form. If required by the Vendor, the Transfer/Deed may contain covenants on the part of the Purchaser to comply with the stipulations set out herein, and is to be executed by the Purchaser.  - (iv) without the necessity of personally attending upon the Purchaser or the Purchaser's solicitor with the aforementioned documents and/or funds, and without any requirement to have an independent witness evidencing the foregoing.

The sole purpose of any title direction contemplated herein or in any closing documents shall be for the purposes of confirming the full name(s), date(s) of birth, address for service, social insurance number(s) and such other information as the Vendor may require.
- (c) The Purchaser shall provide the name of its solicitor to the Vendor not later than the 30th day following the execution of this Agreement. Failure to provide same shall constitute a default pursuant to the terms of this Agreement. If the Purchaser does not provide the name of its solicitor when required hereunder, changes solicitors, or the Purchaser or its solicitor (i) fail to provide any required information; (ii) change or amend any of the information provided, including title information required for engrossing transfer to the Property as required in this Agreement or in respect of the Rebate; or (iii) provide information to the Vendor or its solicitors that is incorrect or amended for any reason, the Purchaser shall be charged \$325.00 plus Applicable Taxes on the Statement of Adjustments.

In addition, once the Purchaser has provided the information required to be provided herein and there are any changes to same, such changes to the information shall entitle the Vendor (or such other party designated by the Vendor) to elect not to permit the Purchaser to claim and assign the Rebate to the Vendor (or as the Vendor may have otherwise required or directed) as part of this transaction. If the Purchaser is prohibited from claiming the Rebate and assigning same to the Vendor (or as the Vendor may have otherwise required or directed) as part of this transaction or does not do so for any other reason, or the determination of the Vendor in its sole, absolute and unfettered discretion is that the Purchaser is not entitled to claim the Rebate, then the Purchaser shall retain the option of pursuing the Rebate or any other similar or related rebates directly from the Canada Revenue Agency following the Closing Date.
